

Raz Kids - Info for Parents

Please Note:

Your child's classroom teacher must initiate the Raz Kids program. This program cannot be independently used by parents. There are some leveled text samples available on the site for you to explore, but to access and use all the aspects of the program; your child's classroom teacher must initiate the set up.

1. Once your child's teacher has created a student profile within his/her classroom you will receive a letter from RAZ KIDS with instructions for signing your child into the platform.
