

Grade 7 Basic French

Teacher: Mme. Hass

Students will attend French class twice per cycle. They will develop vocabulary and expressions to comprehend and communicate basic information in French. The course will focus on listening, speaking, reading, writing and cultural awareness. Themes will include the value of learning additional languages, numerical skills, school facilities and programs, daily tasks and routine activities, making phone calls, food, restaurants menus and orders, and cooking recipes and outdoor activities. Students will demonstrate listening and reading comprehension with oral and written responses; they will express preferences and opinions in French, and they will participate in structured speaking activities.
