WINNIPEG SCHOOL DIVISION

WSD Online Registration and Course Requests

Self-Service Course Application for the 2020/21 school year.

The Winnipeg School Division online Course Application is a secure interface providing students and their family the opportunity to apply for the upcoming school year, selecting courses in their chosen academic program.

To complete an application, the student is required to select a school and program and the mandatory and optional courses for their declared high school diploma type. Once completed, the student must print the application form and submit the form signed by the parent or legal guardian to the school. The student and family can update the student's demographic and contact information on the printed form.
