

Narrative Writing Task: “The Invention”

Task: Write a short story about an electrical invention that changed someone’s world. (It could be a positive or a negative change. It could impact just 1 person, or everyone, those details are up to you!

Will it be about a flashlight? a computer? A totally made up invention? Up to you! Make it unique!

Criteria:

I can...

- Follow the writing process
 - o Plan my writing (using the templates provided)
 - o Begin writing (Rough Draft)
 - o Edit and Revise
 - o Publish (Good copy)
- Use an interesting hook/beginning (A sound, dialogue, describe the setting, a question)
- Keep my reader engaged by using juicy, interesting, descriptive words
- Include a clear problem and solution to my story.

THIS TASK WILL ALSO BE POSTED ON GOOGLE CLASSROOM.

If you wish to type your copies rather than writing on paper, it is strongly encouraged. This way I am able to coach along the way!
