GRAD CREDIT CHECK

In order to graduate, all students are expected to complete 30 credits:

-**18** compulsory credits and **12** elective credits for a total of 30 credits

-of the **12** elective credits, one must be a grade eleven credit, and two must be grade twelve credits

In order to graduate you must complete all the requirements below. For example, if you have 34 credits, but do not have a grade 12 English credit, you are NOT eligible to graduate because grade 12 English is a compulsory course.

*Remember to include special language or music credits.

NOTE on Post-Secondary Admission Requirements:

There may be a difference between high school graduation requirements and post-secondary (university/college) entrance requirements. You may graduate from high school but be unable to enter the school of your choice because you have not taken the right credits. ***Please see a counsellor for post-secondary (university/college) entrance requirements.***

SCHOLARSHIP & BURSARY OVERVIEW

3 FULL Scholarships to students going to **University of Manitoba** in:

- Asper School of Business
- Faculty of Engineering
- Computer Science

3 FULL Scholarships to Indigenous students going to the **University of Manitoba**:
