

Beading Activity

Materials Needed:

- 2 pipe cleaners
- Bag of beads (from learning kit)

Instructions:

1. Take beads out of bag and sort them by colour
2. Count how many beads each colour has and write it down.
3. Make a pattern with your beads. You can use a pipe cleaner for your pattern and make a bracelet or necklace.
4. Take a picture and share it on SeeSaw **OR** draw and colour your pattern out on the back of this page.

Activity

Colour of the beads	How many beads are that colour?

How many beads do you have all together?
