

# Pinkham School - Back to School Plan

## 2020-2021

---

## **Welcome Back Pinkham Families!!**

We have prepared some information for you to answer some of the questions you may have about coming back to school. The information is based on the current recommendations from the Province of Manitoba and The Winnipeg School Division. The plan will change as the government and the division adjust plans to respond to COVID-19.

There are 2 options for school right now - to attend school or to keep you child(ren) at home to home school (you must register with the provincial home schooling program).

Working together, we will move forward and have the best reopening that we can in our current situation. If at anytime you have any questions, please call the school at 204-785-5749 or email at [vmowez@wsd1.org](mailto:vmowez@wsd1.org).

## School

We have signage throughout the school reminding everyone about physical distancing and health protocols. We have ordered supplies such as dividers for tables and have been supplied with masks, sanitizer stations and additional cleaning supplies.

## Classrooms

Classroom tables are all at least one metre apart and classrooms are in cohorts. Cohorts are groups of students (less than 75) that will stay in the same part of the building and have recess together. Lunch program will be in classrooms. **ONLY STUDENTS WHOSE PARENTS ARE IN SCHOOL OR AT WORK DURING THE LUNCH PERIOD WILL STAY FOR LUNCH AT SCHOOL.** Thorough cleaning has been done and will continue through the day and evening during the school year.

## Expectations

We are following the expectations from Manitoba Health, Manitoba Education and The Winnipeg School Division. Students are expected to follow our **C.A.R.E.** principles when at school.
