

**MODULE C: DEPRESSION  
ALTERNATE ASSIGNMENT**

***Directions:*** You will need to research clinical depression in teens and complete a minimum one page report. Include all sources in your report.

***Essential Question:***

*What is clinical depression?*

*What are the causes of clinical depression?*

*What does depression feel like for someone suffering from the illness?*

*What are the symptoms of depression? How would you know if someone you knew was struggling with depression?*

*What treatments are available for depression?*

*What are the major issues concerning this illness?*
