Dear Parent/Guardian,

Ecole Garden Grove has purchased **DreamBox Learning's Math Program**, an online, Intelligent Adaptive Learning(tm) program that helps all students achieve better, faster math proficiency.

Your student can access DreamBox Learning from any computer, 24 hours a day, 7 days a week using this link:

https://play.dreambox.com/login/d7qd/ecolegg

DreamBox is an online program - there's no software to download! All you need is a high-speed Internet connection and Adobe Flash. Adobe Flash is free and is included with many Internet browsers.

You may also review your student's academic progress by setting up a DreamBox Parent Account. Please follow these steps to create your free Parent Account:
   1. Go to https://play.dreambox.com/login/d7qd/ecolegg
   2. Have your student login to their profile just as they would at school
   3. Click *Setup Parent Access* at the bottom of the page
   4. Follow instructions to create a new login and password
   5. Read *Terms of Use* and *Privacy Policy*
   6. Click "Submit"
   7. Make a selection under *What do you want to do now?* and begin exploring!
