

A Difference of Ten?

- Present two ten frame cards to a student.
- Ask them if the difference is more or less than 10.
- Ask them how they know the difference is greater/less than 10.
- Repeat with other cards.
- **OPTIONAL:** Have students record the cards and the equation on the recording sheet.

Directions

- Print the ten frame on copy paper or cardstock.
- Cut apart the cards on the dotted lines.
- NOTE: There are extra cards on the second page to save paper.
