

**THE WINNIPEG SCHOOL DIVISION**  
**INNER CITY DISTRICT ADVISORY COMMITTEE**  
**SUMMARY OF DISCUSSIONS – Wednesday, December 9, 2020**

---

**1. INTRODUCTIONS**

The Committee members were informed that at the Inaugural meeting of the Board held on September 14, 2020, Trustee Yijie (Jennifer) Chen was appointed as the Board's representative and Trustee Betty Edel was appointed as the Board's alternate representative to this Committee. Trustee Chen and Trustee Edel welcomed everyone to the first Inner City District Advisory Committee meeting for the 2020/2021 school year.

**2. ELECTION OF COMMITTEE CHAIR**

The parent representative from General Wolfe School volunteered to Chair the meeting.

**3. APPROVAL OF AGENDA**

The Committee members approved the Agenda of December 9, 2020, as distributed.

**4. WSD 2021/2022 BUDGET CONSULTATION**

Committee members received an overview on the Budget Consultation for the 2021/2022 school year.

Committee members were informed that the Budget is developed based on the WSD Strategic Plan that aligns with the vision to be engaged, confident, inspired and successful learners. The Committee members were informed that the budget includes:

- Students being provided a comprehensive education with equitable access and diverse opportunities and programs.
- Learning Outcomes to further improve schools attendance and achievements.
- Addressing Barriers to Learning developing initiatives and innovative approaches to address needs and accessibility of students.
- Employing qualified caring and competent staff who are dedicated to the vision, purpose and values of Winnipeg School Division.
- Practicing sustainable development addressing environmental social and economic issues.
- Building relationships with our community by communicating and collaborating with a variety of organizations. Managing tax dollars responsibly to ensure long-term fiscal sustainability.

Committee members were informed that the Board is committed to obtaining feedback from school communities, parent councils, residents and staff groups for the 2021/2022 budget. The District Advisory meetings will provide parent representatives with an opportunity to share feedback, ideas and questions with the trustees in their local area.

The Committee was informed that this year, the members of the Board are interested in receiving feedback on the following areas:

---

- Does your school have the resources it requires to fulfil its educational mandate? If not, what additional resources are needed?
- What is the most important issue for your school?
- Would the parent council favour an increase in property taxes if required to support programming?

Trustee Edel recommended that parent representative share the budget information with their respective parent councils and provide feedback to the Board on the three questions outlined in the budget brochure.

Committee members indicated that they felt that their school had the resources required to fulfil the educational mandate. A parent representative commented that the colder weather and current Covid protocols may cause some concerns for schools to have students line up outside upon arrival to school and whether options such as outdoor heaters may have to be explored for students who have to wait to enter the school building.

Committee members discussed and agreed that the question regarding the most important issue for their schools would need more feedback from parents. The Committee agreed to continue discussions and share feedback at the next meeting.

Committee members discussed whether their respective parent councils would be in favour of an increase in property taxes, if required, to support programming. The Committee members felt that most parents would be in support of a two percent increase to ensure schools and students have continued access to programs and supports, however, the current economy in the middle of a pandemic may make it challenging for some families.

The Committee members also suggested that may be beneficial to include the budget information in the school newsletter and to encourage parents to provide feedback to Board.

The Committee was informed that all feedback will be considered by the Board throughout the Budget process. Parent Councils are encouraged to submit feedback to The Board and Community Liaison Officer at [brlapointe@wsd1.org](mailto:brlapointe@wsd1.org) or online at [www.winnipegssd.ca/budget](http://www.winnipegssd.ca/budget).

## **5. RENAMING OF CECIL RHODES SCHOOL**

Committee members were informed that the Board of Trustees approved a motion on October 5, 2020, that the administration begin a consultation process to engage students, parents/guardians and members of the community on the interest of renaming of Cecil Rhodes School and that the results of the consultation be provided to the Board of Trustees no later than March 15th, 2021.

Trustee Chen informed Committee members the request to review the name of Cecil Rhodes School was in response to a petition with 1,700 signatures requesting that the Board of Trustees consider a name change. Trustee Chen informed Committee members that while the history of Cecil Rhodes includes an acknowledgement of business contributions and achievements, he is also known for his involvement and support in politics which upheld segregationist policies against non-white citizens of South Africa.

The Committee was informed that the administration is in the process of obtaining feedback from a variety of stakeholders. The consultation process will include current students attending

Cecil Rhodes School as well as former students. The students will receive the history of Cecil Rhodes and have an opportunity to discuss the name of the school and share different perspectives.

The administration will also be consulting with staff, parents, and the community to obtain feedback. The WSD website will provide an opportunity for people to complete a survey and provide feedback.

A parent representative suggested the WSD calling system would be a resource tool to inform and encourage parents to participate in the survey. The parent representatives expressed appreciation that the Board has given considered the petition and that a consultation process is in place to obtain feedback from school communities.

Trustee Chen informed Committee members that she is pleased that the school communities will give consideration to the renaming of Cecil Rhodes School, as this matter has resulted in some inappropriate comments being directed towards her for raising this issue. Trustee Chen stated that her experiences validates the importance of this matter and that these discussions will also serve as an educational opportunity.

The Committee was also informed that the administration will establish a Cecil Rhodes School - Renaming Committee consisting of the Superintendent of Education Services, two parents, two students, the principal and the Director of Buildings, based on the results of the school and community feedback. Trustee Chen encouraged parent representatives to discuss this matter with their respective parent councils and submit feedback to the Board for consideration.

## **6. SCHOOL RESOURCE OFFICERS**

The Committee was informed that the Board of Trustees received presentations, petitions and correspondence from individuals requesting the removal of SRO's in schools mainly due to their role, and interactions with students.

As a result, the Board of Trustees approved a motion that the School Resource Officer Program (SRO) be referred to the Finance/Personnel Committee for discussion. On November 16, 2020, the Board of Trustees gave direction to the administration to develop a comprehensive consultation process to evaluate the SRO program.

Committee members were informed that the administration is in the process of developing a survey to obtain feedback from students, staff and parents/guardians. A third party will be retained to consult with WSD community members and organizations to collect and compile feedback on the SRO Program.

A parent representative expressed support for the SRO program as it is crucial to demonstrate to students that police can be safe and trusted. The parent representative commented that recently there has been a lot of negative attention towards the police and it is helpful to have police present in schools to support students.

A parent representative also commented that the SRO program helps to bridge the gap between the police and the community. The interactions between the students and the SRO's helps to build relationships and provides opportunities for officers to meet the school and community population.

A parent representative also offered support for the SRO program as it assists officers in developing skills on interacting with individuals with disabilities and disorders and provides them insight on how to interact with students when there is an escalated situation.

Several parents indicated that they believed the School Resource Officer program is an essential service provided in schools.

Trustee Edel thanked the parent representatives for their feedback and that she appreciated hearing all the positive feedback on the SRO program. Trustee Edel informed the Committee members that an evaluation of the program is underway to ensure input from all stakeholders. It is anticipated that the evaluation will be completed in February/March, 2021.

Committee members were encouraged to share this information with their parent councils. Feedback on the SRO program can be submitted directly to Ms. Brenda Lapointe, Board and Community Liaison Officer at [brlapointe@wsd1.org](mailto:brlapointe@wsd1.org).

## Niji Mahkwa Community Report

Niji Mahkwa School December 9, 2020

### Community Report

Students and staff returned to many safety protocols in place to ensure the safety of everyone .

In early September, Niji Mahkwa staff gathered sage for the classroom sharing circles and ceremonies. We had 2 student nurses that worked closely with the community support worker on health and wellness with families. This included accessing food availability, mental health and utilizing garden grant. The Biindigen feast and pipe ceremony, were shared with staff, students and parents outdoors. Orange shirt day and Terry Fox run, were both held as special events on September 30<sup>th</sup>.

In October and November our parent, council had a virtual meeting on Zoom. A PowerPoint presentation covered the areas of food security/ access, pandemic protocols, health resources in the community. Koats for kids were handed out to specific families in need. Peak of the market vegetables were shared with families over a number of 4 weeks. Many hampers have been distributed from food rescue, to support families in need. Parent-Teacher conferences were conducted through e-mail, over the phone and virtual platforms. The Feast restaurant provided the 30 families that participated in parent-teacher conferences with ingredients to prepare a meal for their family.

## **R.B. Russell Vocational High School Inner City Advisory School Report December 9, 2020**

As school began in September, RB Russell developed a plan for daily learning in the building, for all students. The physical space in the building allowed this to exist. Students attended, were engaged, focused and evidence of their learning surfaced on a daily basis. Engagement was noteworthy, as teachers shared that those who attended this year, were possibly experiencing greater success due to their focus on learning. Students have been respectful of the Covid expectations where they are mindful of safety for everyone, which in turn is believed to have contributed to the enhanced focus on learning.

While this has been a very different year around the world as a result of Covid, the school has been able to continue to offer many opportunities for learning and beyond.

- Host school for hamper production last spring and through the summer
- Breakfast Program for all students
- Nutrition Council of Manitoba, fresh fruit
- Subsidized lunch program for students
- Students and staff smudge as needed, sometimes on a daily basis
- Truth and Reconciliation – School Initiated Course
- Student support – Believe, Dream, Dare Centre – staff visit classrooms
- WSD Student Advisory
- Read2Me2 program in our Grade 9 Cohort
- Read2Me2 program in our grade 10 Cohort
- Read2Me2 Tier 2 support beyond the gr 9 & 10 cohorts
- Continued partnership with CEDA Pathways
- Continued PIT (Pre-Industry Training) programming
- AYIP (Aboriginal Youth Internship Training)
- Student participation in the Divisional Indigenous Youth Leadership Program
- Planning the Delivery of 12 holiday hampers to R.B. Russell families
- Parent Nutrition Bingo – currently planning for the delivery of a virtual version
- Holiday lunch December 17
- Land and Water Initiative with U of M

## SISTER MACNAMARA SCHOOL REPORT

- During the summer, we supported approximately 30 families through the WSD food program. We had Trustee Chen and Trustee Murdock join us on a couple of dates
- We have held virtual assemblies with our grade 1 class doing a presentation on “O’Canada” through sign language
- Students have been engaged in-class learning being delivered through SeeSaw and Google Classroom
- Students are participating in a year long Virtual Terry Fox Run. The distance is being tracked and recorded on a chart that is posted in the school’s hallway
- In November, we held our Remembrance Day Assembly through Google Classroom. Our SRO delivered a lovely reflection on Remembrance Day
- Classes have enjoyed the lovely weather and have gone outside frequently for physical education and classroom learning
- We received a \$20,000.00 grant through the WSD School Board that will go towards our playground enhancement project.
- Our teachers have been working very hard to create individual classroom websites and engaging lessons for both SeeSaw and Google Classroom for all students to access either in class or through remote learning. This work is happening daily.
