

Preschool Program

Children in our preschool program have a variety of activities from loose parts, science experiments, to arts and dramatic play.

Preschool Children can enroll in Victoria Albert School and be taken to and from school by the daycare.

If your child attends Sacre Couer, please check with the Director prior to enrollment.

School Age Program

Children in our school age program have a variety of activities from STEM, science experiments, loose parts, fort building, engineering and much more!

We take children to Victoria Albert School or Sacre Couer each day. Sacre Couer School Age children stay at the school for lunch but are taken before school and after school by daycare staff.

Lunch Program offered to Victoria Albert School students only.

Sacre Couer has before and after school care available.
