### Digital Wisdom

Have fun online. Play safe!

- ★ Show your parents what you like to do online.
- ★ Keep your name, age, and address off the Internet.
- ★ If someone asks you something “weird” (i.e. “Can you do the splits?” “Can you send me a picture in your bathing suit?”), tell a safe adult.
- ★ Before you share pictures, ask your parents/guardians if it is okay.
- ★ Before you chat online, ask your parents/guardians if it is okay.
- ★ Before you send emails, ask your parents/guardians if it is okay.
- ★ If you see something you do not like online, tell a safe adult. Remember, it is not your fault.
