## Fort Rouge School

## Family Room

## Learners and Leaders

# Fort Rouge Family Room has many purposes...

- A welcoming place for all families
- A safe, relaxing place to visit with many other families
- Access to community resources
- A place to talk to the school's community support worker
- Access to the Family Fashion Corner
- Access to educational games
- Access to a telephone and/or a computer
- Fun-filled play area for children
- Kitchen and dining area
- Information sessions about education, employment, literacy, numeracy, nutrition and parenting

## Family Fashion Corner

There is an assortment of children's and adult clothing available in Room 113. There is no charge for this clothing and everyone is welcome to take anything that they need. We are also gladly receiving donations of clean, gently-used clothing.

## Computer/ Internet Access

Computers are located in Room 113 and are available for use from Monday to Friday. Internet access will allow you to do anything from browsing the internet and checking emails to searching for housing.

## Telephone Access

There is a public telephone available for use in Room 113.

## Educational Games and Books

There are a variety of books and games that you may borrow from the family room to share with your family.

## Family Room Location

The Family Room is located in Room 113 on the main floor of the school. All of the Family Room services are available in this room. For questions and inquiries, please contact Tammy Shone (see reverse).
