

R.B. RUSSELL VOCATIONAL HIGH SCHOOL

“It was at R.B. Russell that I learned how to be a good student. Before I came here, I was failing. At R.B., I never skipped, paid attention in class and did my work.

The teachers at R.B. Russell helped me gain the skills I needed to get an apprenticeship in auto body painting”.

Eric Albert, R.B. Russell Vocational High School Auto Body Repair student.
