

# My Investigation Journal

Name: \_\_\_\_\_

Build your kite found in Learning Kit 3. Take it outside to an open area and test it out.

<p>What do you notice?</p>	<p>What helps the Kite fly?</p>
<p>Could you make the Kite better?</p>	<p>What do you wonder?</p>

Use your sidewalk chalk and create something beautiful!

<p>What do you notice?</p>	<p>What happens when it rains?</p>
<p>Can you mix your colours to make a new colour?</p>	<p>What do you wonder?</p>

# Go outside and blow some bubbles!

<p>What do you notice?</p>	<p>What is inside the bubbles?</p>
<p>How big can you blow the bubble?</p>	<p>What do you wonder?</p>

# Create your own Kite from the materials in Learning Kit 4.

<p>What do you notice?</p>	<p>Does your homemade Kite fly better than your Kite from kit 3?</p>
<p>After testing your kit is there a way you could make the Kite better?</p>	<p>What do you wonder?</p>

Use the materials in Learning Kit 4 to make paper airplanes.

<p>What do you notice?</p>	<p>Which design works the best?</p>
<p>How far do your airplanes go?</p>	<p>What do you wonder?</p>
