Winnipeg School Division partners with UNESCO to hold elementary student conference

April 25, 2016 (Winnipeg, MB) – Winnipeg School Division (WSD) and UNESCO are hosting elementary students from across the province in conjunction with the UNESCO Conference this week. The event will be held at Thunderbird House on Tuesday, April 26 from 9:30 a.m. to 2:00 p.m.

Students will have the opportunity to work together as they think about Global Citizenship in a modern context. These students have experienced various UNESCO initiatives in their own schools. This conference will allow for them to share their common understandings, build on their beliefs and create new ideas to take back to their schools.

This highly visual event will be open to media.
