K.I.D.S. INC.

Our Core Values:

- ◆ Respect
- ◆ Creativity
- ◆ Belonging
- ◆ Learning
- ◆ Relationships

History

In 1987, the families of Montrose School identified a need for before and after school child care. As the need grew, the families became organized and in June of 1989, K.I.D.S. Inc. became a formal non-profit, unfunded incorporation run by a Board of Directors. In May 1998, our preschool program operated from St. Peter's Anglican Church and our school age program operated from the old Montrose School building while our new facility (after much successful lobbying) was under construction. Our total program moved into the new Montrose School in March 2000 and our Extended Day Program switched to operate out of the church site after school.

In January of 2017, K.I.D.S. Inc. opened a second site in École South Pointe School. In September of 2018, *École South Pointe School* became the home to the third location of K.I.D.S. Inc.

*Montrose Site
Preschool & school age programs*

Our Vision

K.I.D.S. Inc. is a welcoming community based early learning and child care program where learning happens by developing strong supportive relationships in an innovative and enriched environment.

Our Mission

To provide quality, nurturing, play based programs while encouraging learning and healthy development responsive to those members of our community.

*École Sir William Osler School
Preschool (nursery & kindergarten) &
school age*

*École South Pointe School
Infant, preschool & school age*

To register for childcare at any of our three location:
