The below is a message from WSD1 Public Relations Services, originally dated October 3, 2018:

## Pre-Event Announcement:

I would like to remind everyone in the audience today/tonight that photography and video is permitted, however, publication of the photos and video you take is restricted. We ask that you consider the privacy and safety of **ALL** students, and if publishing to your social media, use only those photos that feature your own children. We recognize that capturing these moments is rewarding for both your family and our school, but we must always remember the security of our children, especially those who are in protective care, when it comes to sharing their image on the internet. Thank you for your cooperation in this important matter.

Thank you,

Jamie Hutchison  
Principal
