TOM W. BOBBY, CA  
ASSISTANT SECRETARY-TREASURER

February 1, 2016

Dear Parent/Legal Guardian of a child attending the Nursery program:

The Winnipeg School Division Nursery program is available on a **no fees basis** to students who are **residents** of the Winnipeg School Division. Residency is based on where the student's parent/legal guardian resides.

You are required to inform the School Administration should you move outside of the Winnipeg School Division boundaries during the 2016-2017 school year. At the time of the move you would become a non-resident.

If you become a non-resident, a fee of \$400.00 per month (subject to change) is payable to allow your child to continue in the Nursery program. This fee is payable on the first of the month following your address change.

Please sign and date below indicating that you aware of the Non-Resident policy as it applies to the Winnipeg School Division Nursery program.

Yours truly,

Tom W Bobby  
Assistant Secretary-Treasurer

---

I have read the non-resident policy as it applies to the Winnipeg School Division Nursery program.
