

Room 2 Homework Package

Hi Everyone,

I am sending home more workbooks to help your child continue with their learning while at home for the remainder of the school year. I will continue to do more activities as the weeks progress - I am here to support you and your child. Here is what you will find in this package to add on to what was sent home:

- **Journal** - Have your child write and draw. There are lots of writing prompts on SeeSaw.
- **Guided Math** - Some of these activities are more challenging than others. I will do my best to support you with questions as they come up.
- **Zoo Animals** - Continue with researching and writing facts about animals, by reading and watch YouTube videos. I will post suggestions on SeeSaw.
- **Sight Word Spelling** - Practice writing the words and creating sentences that use the words.

Remember to access our On-line Activities:

- **Dreambox Learning** - Math game-based learning practice
To login go to: play.dreambox.com/login/d7qd/faraday
(you do not need "www" at the beginning) Students can then select their name and password. I usually ask the kids to try to get 3 stars each day. It resets the count each week, so 15 stars each week is the goal.
- **Raz-Kids and Headsprout** - Reading and Reading Comprehension Practice
Login using my teacher name: **rlechow**
The students can then select their name and click on their password.
- **SeeSaw** - I will be posting ideas and activities on the learning journal.
- **StudyLadder** - A variety of games, videos and lessons are on this website. I sent the logins through SeeSaw last week.

*If you need help accessing a website, or if you have questions feel free to message me through SeeSaw or e-mail me rlechow@wsd1.org

Thanks for supporting your child with their learning!

Ms. Lechow ☺
