Overview

The Wellington School Lunch Program is sponsored by the Wellington School Parent Council and is not a function of the School or the School Division.

Purpose

The Wellington School Lunch Program offers supervised lunch time to children who attend Wellington School and whose parents are working or attending school during the lunch hour.

The program is intended to ensure the safety and well-being of the students registered with the lunch program. Children will be provided with lunch supervision and milk.

A microwave is available and all food items/containers must be labeled clearly. Items without the child's name will not be heated.

Program Times

12:00 Noon to 12:55 pm

The program is not available on in-service days or holidays.

Program Location

Multi-Purpose Room for students in grades K to Grade 3

Room 202 for students in grades 4 to 6

Program Space

Currently there is space for 150 students, after which we will maintain a waiting list.

Lunches

Lunch must be sent to school with your child daily. When a child happens to forget his/her lunch one will be provided for them, and there will be a charge if it happens on a regular basis. The lunch program does not provide food on a regular basis.

Frozen Yogurt is sold for \$1.50 from January to June and chocolate milk will be available on Fridays only for 50 cents.

Our lunch rooms are equipped with two microwaves for student's use. Due to the amount of children registered and to avoid long wait times we ask if you can do the following:

- Please do not send frozen dinners.
- We ask that food be pre-cooked
- We do not supply microwavable containers
- Please keep lunches that need heating to a minimum.
- NO PEANUT or SEAFOOD products due to allergies

Weather

When the weather turns colder we ask that you please make sure your child/dren are properly dressed for the weather as they will be outside for approximately 25 to 30 minutes. The Lunch Program follows the Winnipeg School Division guidelines regarding wind chill. Should the students stay indoors activities will be arranged.

- Children must remain seated (whenever possible) while eating their lunch
- Keeps hands & feet to yourself
