Dear Parent(s)/Guardian(s),

Re: Photos of athletes on the GPHS web-site

Grant Park High School leadership students and Phys Ed Staff take many photos of our athletes throughout the year. The photos are used on the TV outside the Senior Gym to showcase the athletes throughout the year and for the athletic awards banquet at the end of the year.

The GPHS Web Site committee is continuously updating our web-site. The athletic department would like to update the athletic portion of our web-site through out the year with photos of our athletes. All photos of our athletes on the school web-site will not have the athlete's name, only the photo.

Please sign the permission form below indicating your consent for your child's photograph to be taken and posted on the GPHS web-site. Signed permission slips can be returned to Ms Alexander or Mr. Blewett at Grant Park High School.

Please contact Ms Alexander at 452-3112 ext. 523 if you have any further questions or concerns.

Thank you,

D. Alexander (dalexander@wsd1.org)
