Montrose Nursery Registration 2016/2017 (Children born in 2012)

February 2016

Dear Montrose Families:

We take care in creating a safe and nurturing learning environment for all of our students. We consider a number of criteria in creating classrooms and ask families for input to assist with our decision making. In most cases, we are able to meet family preferences, but not always. The school team will determine the final placement of all students based upon the best interests of all students. We appreciate your flexibility and understanding during this process.

We will use the criteria listed below to determine classrooms that best meet the needs of all students.

Criteria:

- Equal sized classes
- Kindergarten siblings in parallel time slot
