

Montrose Kindergarten Registration 2016/2017 (Children born in 2011)

February 2016

Dear Montrose Families:

We take care in creating a safe and nurturing learning environment for all of our students. We consider a number of criteria in creating classrooms and ask families for input to assist with our decision making. In most cases we are able to meet family preferences, but not always. The school team will determine the final placement of all students based upon the best interests of all students. We appreciate your flexibility and understanding during this process.

We will use the criteria listed below to determine classroom placements.

Criteria:

- Academic development and learning styles
- Mixing students from various classrooms
- Day Care/Non Day Care balance
- Nursery or Kindergarten siblings in parallel time slot
- Social dynamics including friendships, maturity, and behavior
- Equal sized classes
- Gender balance
- Montrose catchment
- Parent information

*Note: Current nursery students will automatically be registered in the Montrose kindergarten for the 2016/2017 school year unless families indicate that the child will not be returning. **Current nursery parents please return this form to the school by February 22, 2016.** Please check (✓) below.*
