Choose Winnipeg

Canada's Heartbeat

Winnipeg School Division is the largest, most diverse school district in Manitoba, Canada. Winnipeg's international education program offers short or long-term study experiences in English or French at all grade levels.

We deliver a strong academic program supported by certified teachers and the Manitoba curriculum. Students benefit from a wide range of extracurricular activities—including sports, arts, and leadership opportunities—as well as enriching monthly excursions that promote personal growth and global awareness.

Students may earn credits toward a Manitoba High School Diploma, and may be eligible to graduate in just one year. The diploma is globally recognized, and graduates often pursue post-secondary studies in Canada or abroad.

Winnipeg is located at the geographic center of North America and with international flights arriving daily, visiting parents, partner schools and agents can come and see for themselves!

Apply Now

International students may begin studies at the start of either semester—September or February.

The application deadline is April 1 for September entry, and November 1 for the February entry and

The Canadian school year runs from September to June, with high schools operating on a semester system and elementary/middle years students also able to start in January.
