Carpathia School

A Message From Mrs. Manness

Season's Greetings to all our Carpathia families! December is always an exciting time for our students! Some things to look forward to in December is our Holiday Concert on the 14th, as well as our Spirit Week during the last week of school and the Holiday Breakfast on the 21st.

We wish you joy, good health and many wonderful moments this holiday season with family and friends. You can continue to support your child's learning over the holidays by sharing stories, reading with your child every day, and playing card games or board games together. Writing holiday cards or thank you notes is a terrific way to develop writing and drawing skills, and baking together supports reading and using numbers and measurement.

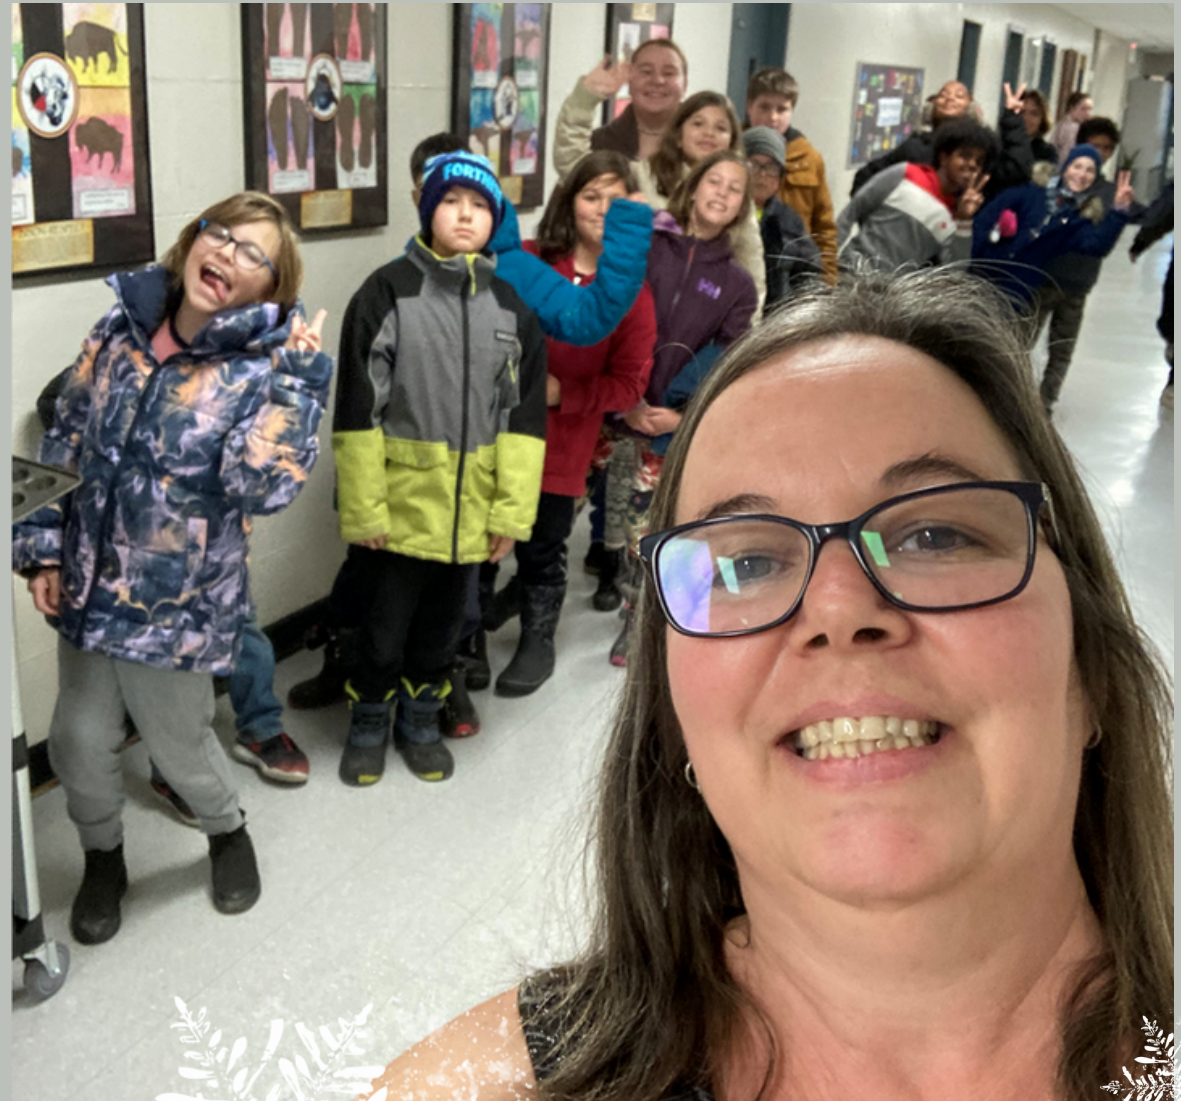

We are so grateful to live and work in such a remarkable community, and we are thankful that our students and staff remain healthy and happy. On behalf of all the staff at Carpathia School, I would like to extend our best holiday wishes. May the warmth and cheer of the season be with you and your loved ones. All the best for a safe, happy and healthy 2024!

Ms. Bell's Counselling Corner

Who wouldn't want daily hot chocolate, hot-out-of-the-oven chocolate chip muffins and... "Treat Fridays"?! Ms.

Bell, "THE BEST patrol supervisor" (according to numerous patrols) is working overtime to keep her troops content and well rewarded! On November 24th she was delighted to share a free lunch with her patrols. What shows appreciation more than free hot dogs and mac and cheese? (And lots of warm HMGs from Ms. Bell!?!)

I am so proud of each of my patrols and all of your outstanding determination hard work! Thank-you so much...and PLEASE keep up the amazing job!
