hello SUMMER

SPIRIT OF THE LAND

On **May 28th**, we held our first ever Spirit of the Land **Learning Day**, focused on **Indigenous Ways of Knowing, Being, and Doing**. This event took place on our school land. The learning experiences for students, staff, and Indigenous families emphasized the interconnectedness of all living things, fostering a deep respect for Mother Earth and its resources as sacred and essential to our well-being. Indigenous teachings that were shared were Tipi Teachings, drum teachings, fire teachings, medicine teachings, Grandfather Rock Teachings, and Traditional Indigenous Games. The day ended in a beautiful way with a whole school round dance 🧡 Thank you to all those from community, students, and staff that made this day possible and amazing 😊

COMMUNITY WALKS

As Spring makes way to Summer all classes will be making special effort to explore and connect with nature. We will be following a walking curriculum that will take us through the neighborhood towards all the local green spaces. All students are encouraged to bring a hat, sunscreen and water daily.
