The students, staff, and communities of Winnipeg School Division are committed to truth and reconciliation through building relationships with Mother Earth, the original peoples of this land, and the stories that bring us together. We acknowledge the place in which we gather is on Treaty 1 territory, the homeland of the Red River Métis, and the ancestral lands of the Anishinaabe, Ininiwak, and Dakota Oyate peoples.

School Message

Hello to all of our Dufferin Families,

It is hard to believe that the end of the school year is in sight. The 2023-2024 school year is coming to a close and we would like to say thank you to all of the parents and families for the support throughout the school year. We have had many opportunities to come together as a school community and we are so thankful for that. As we celebrate the accomplishments of our students and the incredible growth they have all shown in their learning, teachers have also begun planning for next year. June 17 is a school closure for teachers to collaborate and plan for classroom compositions for the upcoming school year. There are a number of other events as the year comes to a close, please refer to our calendar in the following pages for events and dates.

We would like to take this time to recognize that staffing has been underway and we're still working to assemble our Teachers and Staff for next year. Thank you to all Staff members for all their hard work and dedication they've shown all year.

We wish you all a very wonderful, safe, summer! The first day of school will be **September 3, 2024**.

Yours in learning,

Daniel Shynkaryk,
Vice Principal
