DECEMBER 2024

Dear Families,

A big thank you to all the parents and guardians who attended our Progress Conferences in November. If you have not talked to your child's teacher about their learning, please call the office to make a short 15 minute appointment for an in person meeting or a phone call.

The month of December brings with it snow and cold weather. Please make sure that your child comes to school with the clothing they need to be able to learn and have fun outside. We only have indoor recess when the temperature falls below -25°C (with the wind chill). We have a small supply of mittens and hats that we can give to students, but we encourage all students to bring appropriate winter gear. Please also consider sending an extra pair of pants and socks, as many times students get snow on their clothing, which results in students sitting with wet clothing, which can be very uncomfortable. If you need any help with winter clothing, please call Morgan in the Family Room and we will look to see how we can help you.

On Thursday, December 5th, we will be hosting our annual Holiday Make and Take. Please plan to join us for a delicious turkey dinner with all the trimmings, holiday crafts, some holiday carolling, and photos with Santa.

On Friday, December 6th, our whole school, students and staff, has been invited to Kelvin High School for a fun holiday breakfast. We will be travelling by four school buses to and from the school. There are sure to be fun activities and treats for all.

During the last week of school, we will be having fun dress up days and a spirit week. Please see the schedule. There is lots of flexibility, so please do not feel that you have to go out and buy something to fit with the day. It's all about having fun!

Sincerely,
Ms. Stacie Edgar
Principal
