

GRADE 9 DANCE

Course Outline 2023 - 2024

Teacher: Kelsey McCall kemccall@wsd1.org

This course is designed to provide students with the opportunity to learn to dance, express emotions and feelings through music and movement and to provide a positive and meaningful dance experience. As well, students will learn to act as members of a group and to grow and develop individual performance skills. Through active participation, students will experience a deeper understanding of the discipline, becoming a confident solo and group performer. Knowledge of different styles and genres of dance will be obtained.

The intention of this program is to provide for all students a safe environment in which to feel comfortable and learn to work cooperatively with those around them, as they develop a sense of self-confidence and professionalism as a performer both on and off stage.

Course Components

MAKING: The learner develops language and practices for making dance

CREATING: The learner generates, develops, and communicates ideas for creating dance

CONNECTING: The learner develops understandings about the significance of dance by making connections to various times, places, social groups, and cultures

RESPONDING: The learner uses critical reflection to inform dance learning and to develop agency and identity
