### GLENELM SCHOOL

#### **MESSAGE FROM THE PRINCIPAL**

Dear Glenelm Staff, Parents and Guardians, and Students,

I hope everyone had a restful and rejuvenating break, for those of you who had a break of course. I sure took advantage of mine and spent time with my family watching the College Basketball March Madness! I also told myself I would take my golf game seriously this year, so I started working on my golf swing in hoping I can improve at some point... Ha! Time will tell, wish me luck!

As we move forward into the spring season, I want to take a moment to express our heartfelt gratitude to some of the unsung heroes of our school community: our Educational Assistants, Custodians, Clerk, and Volunteers. They have been working tirelessly and efficiently in keeping our school running smoothly and safely. Thank you all for making our school a better place with your valuable contributions on a daily basis.

I'm excited to announce that Our Young Designer's Program (S.T.E.A.M.) is back this year, where we play, explore and learn by building and creating with parents and students. It will be starting on April 17<sup>th</sup> for the next six weeks after school. Miss Angel and Mrs. Ferguson will be facilitating this awesome experience!

As the weather warms up, please remind your children to stay hydrated and wear appropriate clothing for outdoor activities. We continue to prioritize the health and safety of our school community.

Put your seatbelts on for the last third of the school year! These last months will fly by quickly with a blink of an eye! Please keep up with the school calendar for the activities and events coming up!

Our next PAC meeting will be on Tuesday, May 6<sup>th</sup> at 6pm in the school library. All parents and guardians are welcome! ©

# EVERY DAY COUNTS

Students should feel JOY, LOVE, and RIGOUR at school — and that starts with your child attending every day!

#### Joy

Students need the support of a community that believes in their success.

#### Love

School offers a sense of belonging where children can express their true selves.

#### Rigour

Learning happens step by step. Missing days make it harder for your child to achieve excellence.

#### Did You Know?

Kids who attend school regularly build stronger life skills. develop positive habits, and feel more connected. Let's work together to keep our kids learning, growing, and thriving!
