

Glenelm School

Community Report

2024-2025

96 Carmen Avenue, Winnipeg, MB, R2L 0E6

Phone: 204-667-8534 | Fax: 204-654-8592 | Email: glenelm@wsd1.org

Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:
Engaged, Confident, Inspired, and Successful Learners.

About our school

Glenelm is a nursery to grade 6 school located in the west part of Elmwood in the Winnipeg School Division. We have currently a population of approximately 120 students, 10 teachers and 7 support staff. Glenelm has a Lunch Program, a before and after school daycare and a very active Parent Council.

Glenelm provides many opportunities for students to maximize their individual potential and become active citizens in society through a strong academic program as well as extracurricular activities in sports, clubs and the arts.

- Art Club
- S.T.E.A.M.

Priorities for 2024-2025

Priorities for 2024-2025

To build a sense of community in all students. This year students will focus on developing a sense of pride in their self, in their school and in their community. We will also continue to integrate Indigenous Perspectives in our classrooms and acknowledge the path to truth and reconciliation.

Literacy: To focus on student reading development in all stages by implementing Structured Literacy in the classrooms. This will include the creation of a support team to target students that require reading interventions.

Math: To focus on students achieving grade level outcomes in Mental Math strategies and Problem Solving.

S.T.E.A.M.: We have implemented S.T.E.A.M. as an approach to learning Science, Technology, Engineering, Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking that also creates opportunity for our students to engage in play, exploration, investigation and curiosity.

To provide robust comprehensive education, equitable access, diverse opportunity and a supportive learning environment for all students to help them prepare for their journey with values of learning social justice, and to be responsible community members.

Literacy:

- Implementation of Structured Literacy in all classrooms
- Continue to use the School Support Team in supporting our ELA programs to target all students/classrooms in reading and writing in all stages.
- Continue to focus on areas of Word Choice and Writing Conventions. Use of anchor charts and mentor texts to be used throughout all grades.
- ELA activities will be interwoven as part of STEAM.

Math:

- Continue to focus on students achieving grade level outcomes in Mental Math strategies and engage Thinking Classroom
- Continue to focus on fractions and how to create and manipulate fractions as a focus in Grades 5 & 6.
- Math activities will be interwoven as part of STEAM.

Learning Outcomes

- Continue to provide relevant, appropriate programming for all students, so that all students can improve their growth in literacy and numeracy skills for the school year.

Addressing Barriers to Learning

- School focus on Indigenous Perspectives and Reconciliation through education
- Continue to focus on social groups to address students concerns on self-regulation and social skills, anxiety, and peer-pressure
- Continue Positive Behaviour Interventions and Supports (PBIS) to promote a positive, predictable, and safe environment for everyone in all school settings.
- Continue to implement and update the school crisis response plan

Communication and Partnerships with Community

- Continue to have strong partnership with our Parent Advisory Council
- To explore additional opportunities for all parents to share and learn together; Meet the Staff Evening, Information sessions, etc.
- Provide community events with a cultural focus

Sustainability

- Continue the development of outdoor learning spaces
- To provide support and awareness in ESD: Recycling Program
- Continue to further develop our involvement in Land Based Education
- Continue to support our multicultural learning environment by providing culturally rich opportunities, materials and experiences for all our students

Parent and Community Involvement

Glenelm School & Glenelm Volunteers Activities and Events!

Fundraising efforts made it possible to install a swing set! It's great to see students and community members enjoying it.

Parent Council and Parent Lunch Program have been involved in Special Lunches at the School!

School wide picnic barbeque.
