MESSAGE FROM THE PRINCIPAL

»» Hello Glenelm Families,

We've had a wonderful start to the school year with all our students engaged in getting to know their peers and teachers! The beginning of the year can be nerve racking for some students and staff, and I'm so proud of all of them for making it out to our school every day! It's something to celebrate about! Thank you for being part of that routine in waking up our kiddos, getting them ready for the day, and ensuring they are at school!

Our hard-working patrols are fully active in keeping our students safe on their walk to and from school!

Our extra-curricular activities are in full force already with Mr. Park leading the way with our lunch/before/after school intramurals program! Thank you Mr. Park!

It's important to notify you that we will conduct Fire, Lockdown and Hold and Secure Drills throughout the year to ensure all our staff and students are ready for any crisis that may occur in school.

MESSAGE FROM THE PRINCIPAL CONTINUED

>>> The Orange Shirt/Truth and Reconciliation Day Assembly & Walk was a success! Thank you to those who participated with us to show support that we are in partnership with the Indigenous community with the calls to action of truth and reconciliation. In addition to showing our support, we will be providing a space to Smudge for our school starting this Month. You are more than welcome to join. A friendly reminder that this is optional for all students and staff.

Also, a reminder to families who are interested in receiving food hampers throughout the school year, please call the school and we can set you up right away.

Congratulations to our Parent Advisory Council members who have been voted in at our last meeting! Please see PAC update for more information. Our next P.A.C. meeting will be held on Tuesday, October 1st, 2024 in the school library at 6PM. Everyone is welcome to attend, I hope to see you there!

Lenin Mangaron, Principal

>>> **PATROLS**

Patrols have had an incredible startup! Our annual in-class training has happened with 45 students signing up to be a patrol! It is so exciting and encouraging to have such enthusiasm for this important role in keeping all students safe.

We ensure that all new patrols have an experienced patrol partner for their first week, so that they can learn and practice patrolling with someone who is willing to guide and help them. This fosters confidence and safety.

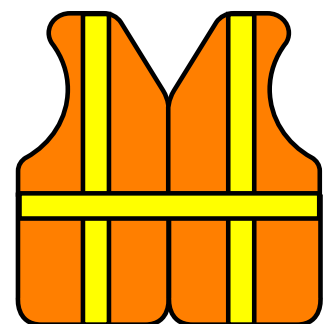

Something new this year is the deletion of patrols at Martin and Noble during the lunch hour. With these intersections having no lunch time crossings, we have decided to eliminate these positions giving more students the opportunities to participate in other extra-curricular activities during the noon hour.

Thanks to all the parents/ guardians who are supportive and willing for their child to dedicate their time to patrolling. We especially appreciate your commitment to having your child give of precious time in the morning and after school rush.

Throughout the school year, there will be various rewards and privileges the patrols can participate in. Letters will be sent home in advance to notify you of these events.

We are anticipating a great year of working together!

Ms. Barkman
Patrol Supervisor

ORANGE SHIRT DAY

Glenelm School is committed to Truth and Reconciliation and collectively we have been learning about the importance of Orange Shirt Day and standing in solidarity with Residential school survivors and their families. Our students, staff, and community members participated in a walk of support for Orange Shirt Day and had an assembly put on by Room 1. We will continue our learning of Indigenous achievement and excellence throughout the school year, and we look forward to sharing it with the Glenelm community.
