WINNIPEG SCHOOL DIVISION LIVE STREAMING STUDENT PERMISSION FORM

In the Winnipeg School Division, Live Streaming refers to the broadcasting of live lessons in real time where students are present in the classroom as well as students learning from home.

Through this model teachers will be providing live streaming experiences both in real time or through a recording, which may be posted on the learning platform for other students to view.

Due to the special nature of live streaming activities, parents/guardians must consent to their child being photographed, videotaped, or recorded as part of the classroom learning activities. During live streaming lessons the webcam in your home should be positioned in such a way that it only captures your child's image when they are participating in the live streaming lesson.

I give my child permission, during this school year, to participate in live streaming activities on platforms such as Seesaw, Google Suite/Meets, and Microsoft Office 365/Teams to address curricular outcomes. In addition, I give permission for my child's voice and image to be transmitted and viewed for the purpose of learning activities in the classroom and home environment.

I do not give my child permission, during this school year, to participate in live streaming activities .
