Please read this entire page first, before continuing with the online registration process.

- 1) Once you have completed the preparation stage you may proceed to the online application process.
- 2) In your browser go to <https://coursererequest.wsd1.org/mayetCR> or click on the link on Grant Park High School's website under School Registration Information, Online Registration <https://www.winnipegssd.ca/grantpark/page/12657/online-registration>
- 3) Log in with your network user name (do not include @live.wsd1.org) and student number. If you have changed your student number to a different password, then use the new password. If you have forgotten your password, please see Ms Chwan in the guidance office.
- 4) Please read the **"Terms and Conditions"** page. These must be accepted in order to proceed.
- 5) Ensure the **"Preregistration"** tab is selected.
- 6) Select **"Academic Year"** (2024 - 2025) and **"School"** (Grant Park). Please leave **"Program"** and **"Vocation"** blank.
- 7) Click **"Add Preregistration"**. You will see a box showing Grant Park and year of preregistration.
- 8) Students may view courses they have already taken and courses still required for graduation in the **"Grad Course Requirement & Course History"** tab (located below the Contact Information).
- 9) Select **"Course Requests"** tab. Select the tab underneath Course Requests and select **"Grant Park"**.
- 10) Select required courses from the **"Compulsory Subject Areas"** list. Course descriptions can be found by selecting the **"Course Descriptions"** box. Remember, many courses have prerequisites that need to be met, which are listed in the course descriptions. If you do not see the course you want to take listed in the drop-down box, it may be because you do not have the prerequisite.
- 11) Once you have chosen all of your compulsory courses, select **"Add Compulsory"**.
- 12) Once all of your required courses have been selected, begin selecting your **"Optional Course Selections"**. Select your grade from the dropdown menu (this will default to the grade for which you are registering). Under the heading **Course Code - Description**, there will be a dropdown menu that will list (in alphabetical order) all of the options available for the grade level you have chosen. Be sure to prioritize your selections from **1 to 5** under **"Priority"** each time to add a course before you press **"Add"**. You must select 5 options, **numbered from 1 to 5** even if you do not require that many. After each optional course selection, click on **"Add"** to save your request.
- 13) Once you have completed selecting 5 optional courses, review all of your choices, keeping in mind grad course requirements and your course history. If you are happy with your choices, select **"Finalize Preregistration"**. A reminder window will appear warning you that no changes can be made after you select the "finalize" button. **ONLY** click on the **"Finalize Preregistration"** if you are completely sure everything has been filled out correctly.

This last click will submit your application to Grant Park High School. No changes can be made online once finalized. Be sure your parent/guardian sees your selections prior to hitting the **"Finalize Preregistration"** button. **After the finalized button has been clicked, changes can ONLY be made with a counsellor.** To view your finalized application, select the **"Report"** tab at the top of the page and print the **"Registration and Course Request Form"**. The parent/guardian is required to sign in six locations on the registration documents.
