

APRIL NEWS

GREENWAY SCHOOL 2025

EXCITING ENRICHMENT AT GREENWAY SCHOOL

The approach of Spring is not only bringing warmer days – it's bringing amazing learning experiences to our school community!

We are thrilled to share that Ms. Thompson will be continuing Circus Club this school year with some new equipment thanks to a Healthy Schools Grant we received. Students will be exploring balance, coordination, and creativity in a fun, exciting and for many students a new way! From juggling and plate spinning to teamwork-based challenges, this fun and active club is building confidence, focus, and perseverance – all while having a blast. A huge shout out to Ms. Thompson for making this possible for all of our students.

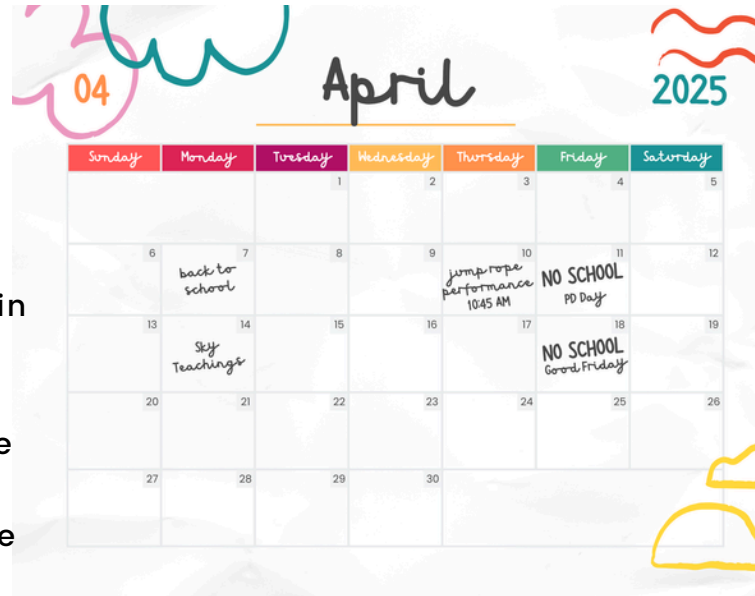

We're also excited to welcome the Sky Teachings dome to our school on April 14th for our Grade 2-6 classes. This immersive, planetarium-style experience combines science with Indigenous Sky Teachings, offering students a unique and meaningful perspective on astronomy and storytelling. It's a wonderful opportunity to connect cultural learning with curiosity about the stars and sky above us.

We're proud to offer engaging, inclusive, and enriching programs that support our students' growth both inside and outside the classroom.

Thank you for your continued support, and stay tuned for more exciting updates this spring!

Yours in Learning,

Ms. Boulton and Mr. Olfert

- Gr 5-6 Ultimate Football
- Compost Club
- Room 119 Games Club
- Filipino Heritage Club

Family Room Reminders

As always, we continue to offer a variety of resources, including food support, clothing, and connections to community services. We also offer workshops and group activities, and we invite you to come by and see what's happening in the Family Room.

Our gardening group meets every Thursday from 11:00 a.m. to 12:00 p.m. in the Family room/ Art Room, right after the Parent & Child Playgroup. Be sure to check out the calendar for the specific dates.

If you have suggestions for new programming or would like to get in touch, please don't hesitate to reach out. I'm always here to connect with you and listen to your ideas. Together, we can continue to make the Family Room a warm and welcoming space for everyone.

Wishing you all a wonderful month ahead!

Warmly,

Erika Janzen
