Administrative Message

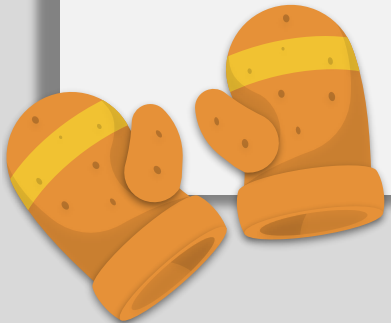

Happy December to all of our Greenway Families!

We would like to share how proud we are of all of your children for their hard work and dedication in preparing for and performing in our Winter Concert! They have practiced diligently for almost a month in music class, in choir and in their classrooms, and they put on such wonderful shows for our school community to enjoy. The music from their songs has brought so much happiness to our school hallways, and it has been wonderful being able to hear the progression of student learning.

We would like to thank Ms. McPhillips for all of her hard work in making the performance such a success. We would also like to thank her for not only teaching her students important musical skills and techniques, but also teaching them skills that apply across all disciplines such as teamwork, collaboration and communication.

As we find ourselves at the start of a very busy time of year, we would like to wish you all a wonderful holiday season. We hope that you all take time when school is on break to enjoy being with family and friends, and we wish you all the best in the New Year!

Ms. Boulton and Mr. Olfert

Absence Reporting – Safe Arrival

To report a student absence, the Winnipeg School Division uses an automated system called Safe Arrival.

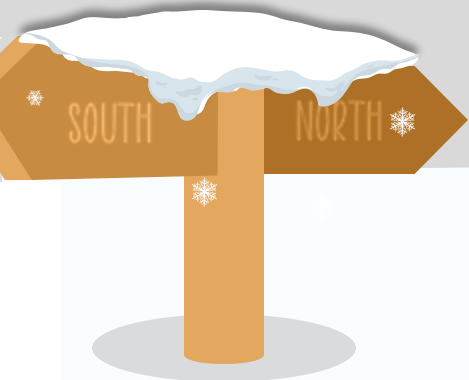

The app can be downloaded onto your phone or computer to report.

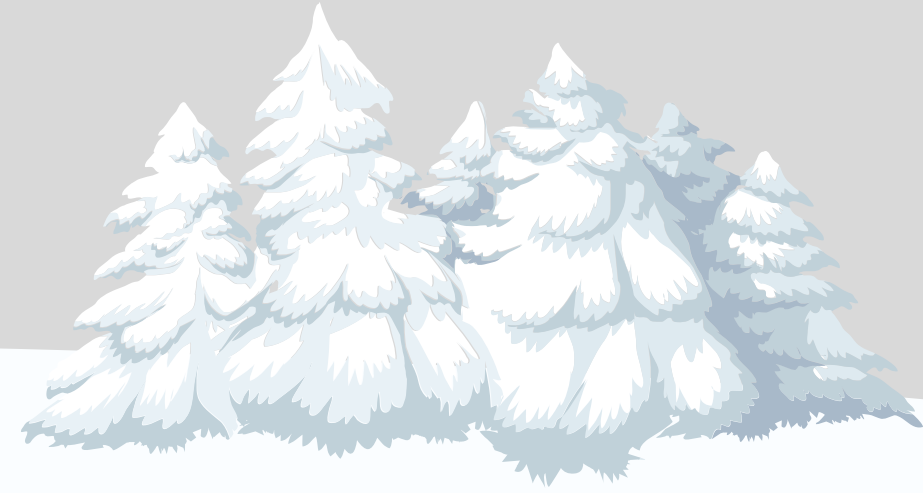

If you know that your child will be away, please report the absence either through the Safe Arrival app or by calling the school directly at 204-775-2455.

Please note that if a student is absent and the school has not been notified, Safe Arrival will call out to verify the absence.

Lunch Program
