Administrative Message

Dear Families,

It has been an absolutely wonderful start to the school year at Greenway! It was so nice to see all of the smiles on students' faces as they reunited with their friends and met their new teachers. We would like to take this opportunity to thank you for all of your hard work in helping your children get to school every day, ready to learn. Your efforts and support are such a key part of your child's education, and we cannot thank you enough.

In this first busy month of school, we have already had a number of very important school-wide events. We were able to have our first whole school assembly since the pandemic began, where we learned together about the life of Terry Fox. The following week, we had our annual Terry Fox run outdoors in our field. We would like to thank all of those who sent donations in for the Terry Fox Foundation throughout the month.

We ended the month of September with Orange Shirt Day on the 29th. On Orange Shirt Day, we take time to honour and remember Indigenous children who attended residential schools and learn about the continued effects of residential schools on our society. We started the day with a pancake and fruit breakfast for every child as a way of welcoming everyone to school and creating a sense of community in our classrooms. We had an awareness walk through our community in the morning, and classrooms participated in sharing circles in our outdoor classroom spaces. In the afternoon, we took a moment of silence as a whole school, which gave us all time to stop and remember together. It was a beautiful day, and we will continue to work on the process of Truth and Reconciliation throughout the year.

Looking forward to October, we will continue to be busy at Greenway with events like grade 5 and 6 soccer intramurals and tournaments, the Thanksgiving holiday, and Halloween at the end of the month. As the weather starts to change and the leaves begin to change colours in this coming month, we wish all of you a very happy start to the fall season!

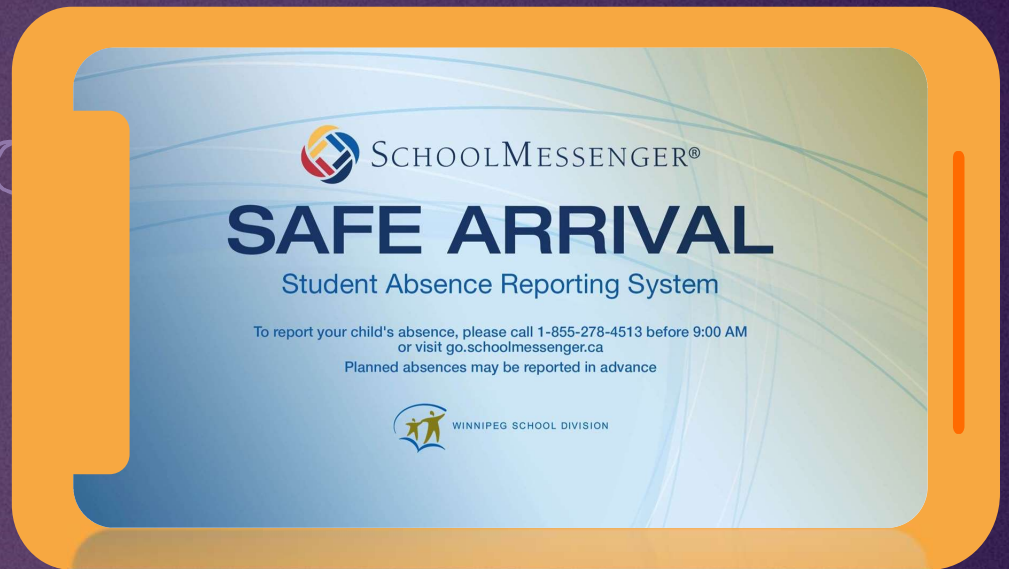

Mr. Olfert & Ms. Boulton

Roots And Shoots!

We are a 'Roots and Shoots' school, inspired by Jane Goodall to make the world a better place. Roots and Shoots began in 1991. Now 130 countries are involved with this initiative.

Each classroom gets to tackle real issues that they think are relevant and that relate to helping the animal community, the human community or the environment in our area. These projects will begin with a community walk to take a look at and discuss what is seen in our neighborhood. We love how we see leadership skills emerge and important meaningful discussions take place. It is a great project.

Stay tuned for more information and updates as the year goes along

If you have any questions about what your child's class project is, please ask your child's teacher.

Lunch Program

Thanks for a great start! A couple of reminders.

Please ensure all registration forms and payments are returned to school. Your child has been given a registration form for this year if they are staying. Fees must be paid on or before the beginning of each month.

Forms not returned or missed payments may affect your child's ability to remain in the Lunch Program. **Fees are due on or before the first of each month. A \$35.00 fee will be charged for NSF (non-sufficient funds) cheques.

Receipts for 2022 will be issued in January.

We do permit 'Casual Stay' lunch If needed. The fee for this is \$2.00

Thank you!
Ms. Stark, Lunch Program Director
