## Administrative Message

Dear parents and guardians,

We have definitely jumped right back into learning full swing at Greenway following the winter break! As we walk around the school, we have certainly noticed how motivated and engaged all of our students have been in activities throughout the school.

One of the learning highlights this past month has been the Indigenous Peoples Atlas of Canada, which is a giant floor map measuring 36 x 26 feet that we have been hosting in our gym. Students were able to explore the map, looking closely at the different treaty regions and Indigenous communities. They were also able to engage in important conversations about things that they noticed and things that they wondered. We feel very fortunate to have had the opportunity to explore and learn with this amazing resource in our school!

Ms. Boulton and Mr. Olfert
