## GREENWAY SCHOOL 2024

### WHAT'S GOING ON AT SCHOOL

Each year grade 4-12 students in the Winnipeg School Division participate in the Our Schools Survey. This is an opportunity for students to share their VOICE on how things are going at school. Students and families were also given the opportunity to share their thoughts in the Spring of last year.

Something that stood out for us at Greenway, was how positively extra-curricular activities impacted students in their attitude and engagement with school. Students reported that extra-curriculars helped them to connect with their peers and with different staff members. It also allowed them to try something new or engage in an activity that brings them joy.

As a staff we will continue to do our best to offer a variety of activities for all ages.

# GREENWAY SCHOOL NUTRITION PROGRAMMING

We are very happy to announce that due to additional funding provided by the Province, Greenway School is now able to offer a **SCHOOL WIDE SNACK**.

While we have always had snacks to offer in the office for any students to access, we now have a dedicated food coordinator at our school to prepare snack for each classroom.

A variety of snacks will be offered each week such as: fruit salad, veggies and yogurt dip, muffins, bannock, cheese and crackers, yogurt and fruit compote, homemade granola bars, or quinoa salad.

We would like to welcome Ms. Coleen to our staff (a greenway alumni) as our food coordinator, as well as thank Ms. Amanda and Ms. Namaziye for all of their hard work and effort in running our school breakfast club. Ms. Amanda and Ms. Namaziye will continue to support breakfast in the mornings.
