

# OCTOBER NEWS

GREENWAY SCHOOL 2025

## BEE-LIEVE IT! OUR SCHOOL BEES MADE HONEY!

This month, our students had the sweet opportunity to learn with Mr. Skrabek about how our very own school bees work together to make honey and how they prepare their hive for the cold winter months.

Our young beekeepers will continue to explore how important bees are to our environment and how we can help protect them. We're proud of the curiosity and care our students showed during this hands-on learning experience!

## LEARNING ABOUT TRUTH AND RECONCILIATION

As part of our commitment to understanding and honoring Indigenous histories and cultures, our classes have been learning about Truth and Reconciliation.

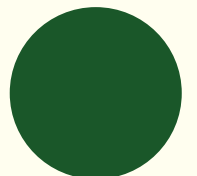

Through stories, art, and discussion, students are continuing to learn and understand the importance of listening, respecting, and acknowledging the experiences of Indigenous Peoples in Canada.

We wore orange to recognize **Orange Shirt Day**, a day that reminds us that **Every Child Matters**. Our school is dedicated to creating a safe and inclusive space where all voices are heard and valued.

We are very grateful to Kookum Hilda for taking the time to share her stories and knowledge with our school community.

Thank you for supporting our learning journey!

Ms. Boulton & Mr. Olfert
