

FEBRUARY 2025 HARROW SCHOOL

550 HARROW ST, R3M 3A2

We welcomed the new year with open arms. The true face of winter hit us with all its' might. We braved the extreme weather and made the best of it. One of the ways we braved the cold weather was to start up a Polar Bear Club for our intermediate students. Thank you to Mr. Jamieson, Mrs. Paul and Ms. Knight who were instrumental in starting up the club. With parental permission the students went out for morning and/or afternoon recesses. All students taking part in this amazing club have parental permission and are well dressed for the extreme cold. We have finally completed all the classroom flooring in the school. This has been a project that started in late October. We can finally set up our library, back to its original way, and open it up for students and teachers to access our amazing collections of books. On Wednesday, January 29, we highlighted the Lunar New Year - Chinese New Year. We have purchased new books for our school library to educate students about the significance of the new year.

We are also bringing out the blue sleds for the hill. Classrooms are scheduled daily, on a rotation to use the blue sleds. We ask that students be prepared with the necessary winter gear to have an enjoyable time during recess. Safety is very important to us.

February, is I LOVE TO READ month. Our staff are planning some amazing activities. One activity we have planned is a school-wide Pancake Breakfast to kick-off the month. This will coincide with French Week usually during the popular Festival Du Voyageur, mid-February. We will have guest readers in our school. If you would like to volunteer to read to a class, please contact us and we will arrange a class for you to read to. We have many books to choose from as well.

Soon, we will be looking at next year's projected numbers. If you know your child will not be attending Harrow School in the fall of 2025, please let us know in the office to help us with our projections.

The WSD has designated February 10 as the official day for new registrations to any WSD school. This is only for new students to the division. More information will be shared with you early in the month.

For our Grade 6 families, please be aware that information regarding neighbouring Junior High schools will come out shortly. Students must register in their catchment schools either Grant Park or Early Grey. If you are not sure, contact us and we will gladly help you out. Earl Grey School's Open House is on February 12. Once we know of Grant Park's Open House for Grade 7, we will let you know. Students MUST be registered in their catchment school.

PAC is planning a Family Reading Night on February, February 25th at 5:00 pm to 7:00 pm for our school community. Come out with a family member and read together.
