

NOVEMBER 2023

HARROW SCHOOL

November 2023 Newsletter

October has left us with a wintery feel. The snow came early this year! October was a busy month with enthusiasm as extra-curricular and intramurals started up. There are many opportunities for extra-curricular activities for our students in grades 1 to 6 from Puzzle Club to Performing Arts club.

Assessment is on-going at our school. The focus for this year will continue to be Literacy and Numeracy. Classroom teachers are continuously planning appropriate programming to meet the needs of all students. Together, we will support student learning and success. We will be sending out a letter outlining how our assessment will look like. There have been some changes. You are always welcome to contact your classroom teacher for more information/clarification. Families/guardians play a vital role in supporting their child's learning at home by finding ways and times to help their child practice reading, writing and engaging in numeracy activities on a regular basis. During the Parent/Teacher Conferences on November 16 (evening) and November 17 (morning only) parents/guardians will have an opportunity to discuss their child's learning journey and ways to address next steps for learning. The scheduling of the conferences will be done online. A step-by-step on how to book online will be shared with you before the conferences' week.

We had a successful Terry Fox Run. Thank you to Ms. Gordon for organizing a great race. We raised over \$300.00. Thank you to all of you who helped support the Terry Fox Run. We are greatly appreciated.

We had a Wear a Hat Day in support of the United Way on October 27th. There was a Bake Sale in support of the United Way on October 30th. Thank you to Ms. Devlin and Ms. Shannon for organizing a great Bake Sale. The final tally of how much money was raised, will be shared in letter by Friday, November 3rd. Thank you for your support!

We are once again running the Koats for Kids Campaign. Families in need can call the school or email kdevlin@wsd1.org if they need jackets for their children this winter. Please include the child's name and jacket size. Boots are also available. Jackets can be ordered for children 0-18, so please include siblings in need as well.

We are happy to provide an interpreter for your child's Parent/Teacher Conference. These interpreters are provided at no cost from the Winnipeg School Division. Interpreted conferences are scheduled through Ms. Devlin and may not occur on the 16th or 17th of November as our interpreters support all our schools in the division. Please contact the school if you require more information.

Please continue with the Home Reading. Your child is very eager to share their reading with their classroom teacher. We have been running a draw for some exciting prizes for students who are reading. Thank you for your continued support.

With regards,
Mr. Batista
