Message from Administration

Spring is a time of rejuvenation, renewal, and new beginnings - a season that holds deep significance for the many families and cultures within our amazing school community. For our Cree and Ojibwe students and families, spring has always been a time of rebirth and growth, marking the return of longer days, the awakening of the land, and the renewal of our relationships with one another and the natural world. It is a season of learning from the land, reconnecting with traditional teachings, and embracing the change that comes with each new season.

March was also a time of celebration at Isaac Brock, as we welcomed families into the school to share in their child's learning journey. The Celebration of Learning was a powerful opportunity for students to showcase their growth, reflect on their progress, and set goals for the months ahead. We are grateful to all the families who joined us, reinforcing the strong partnerships that make our school community so vibrant.

The week leading up to Spring Break was filled with energy and enthusiasm, thanks to the incredible team-building events organized by Ms. Warelis and Mr. Lehotsky in our Physical Education program. These events, known as pep rallies, brought students and staff together in a spirit of teamwork, fun, and school pride. The gym was buzzing with excitement, and we are so appreciative of the efforts that went into making these moments memorable.

As we move into the final stretch of the school year, things will be fast-paced. Our top priority is ensuring a smooth transition for our Grade 8/9 students as they prepare for high school while also supporting every student in finishing the year strong across all areas of learning. We remain committed to fostering a supportive and engaging learning environment where every student can succeed.

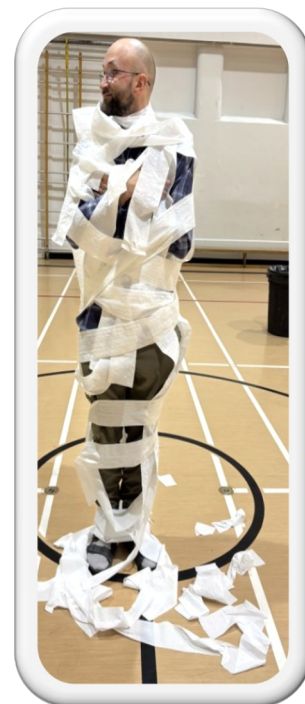

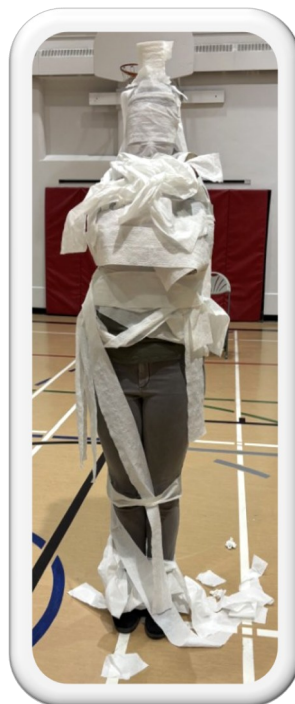

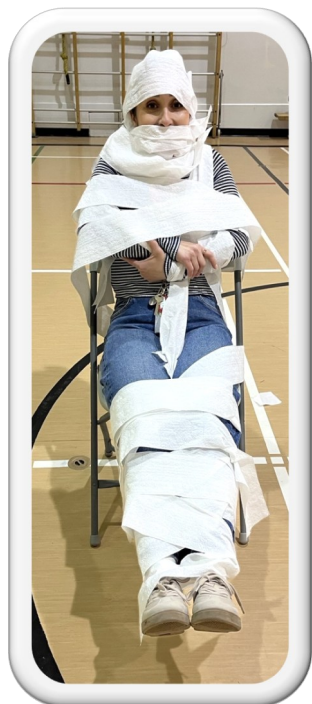

The next few months promise to be filled with meaningful learning, community events, and opportunities to come together as a school. We look forward to continuing this journey with you and celebrating the growth and achievements of our students as we approach summer.

Thank you for your continued support and partnership.

Mr. Goring & Ms. Pelletier

Pep Rally & Badminton News

To kick-start the beginning of spring break, we hosted 3 different pep-rallies in the gym with the 1 - 3's, 4 - 6's, and Junior High classes. During the rallies, students had the opportunity to participate in a variety of mini-games, relay races, and competitions with each other. For example, the "Mummy Wrap" challenge (see pictures) involved pairs of students trying to wrap their teacher /staff member in the limited time that they had. The students had a blast and showed an incredible amount of spirit and fair play!
