A Place to Belong; A Place to Shine

JANUARY 2025

WELCOME BACK!

We hope you had a restful and fun winter break! As we kick off this new year, let's approach it with excitement and determination. There's so much to learn and accomplish together. Let's make it a great start to the year!

Land Acknowledgement

The students, staff, and communities of Winnipeg School Division are committed to truth and reconciliation through building relationships with Mother Earth, the original peoples of this land, and the stories that bring us together. We acknowledge the place in which we gather is on Treaty 1 territory, the homeland of the Red River Métis, and the ancestral lands of the Anishinaabe, Ininiwak and Dakota Oyate Peoples

February 10, 2025

On February 10, 2025, catchment school registration opens for new students. All students must register with their catchment school first. If your child is returning to their school, there is no need to register.
Online Registration opens at 9:00AM

DRESSING UP FOR COLD WEATHER

Thick sweater

With a hood to keep your head warm

TIP:

Adding layers will help keep you warm as the temperature drops

Winter Accessories

HAT

For your head and ears

SCARF

For your neck and face

GLOVES

Insulated – water-proof would be ideal

TIP:

During extreme cold, keep all skin covered and spend as little time as possible outside

Winter boots

Water-proof footwear will keep your feet dry, with good grip for when walking on snowy or icy paths

Light jacket

Wind-resistant would be ideal

TIP:

For extra warmth, wear extra undergarments (like tights and thicker socks)

Winter jacket

Thick outerwear to keep out wind and wet snow – longer length would be ideal

Re: 2025/26 Student Registration

Dear WSD Families,

Registration for the 2025/26 school year is opening soon, and families often have questions around the process. WSD aims to be clear and concise about registration for the upcoming school year.

Catchment school registration for all WSD schools opens February 10. This is for learners entering _____ a new school in their catchment area. For example, a child entering Nursery or Kindergarten for the first time, a child transitioning to Middle Years, or a child transitioning to Senior Years must all register. However, a child in Grade 3 who will remain at their current school does not need to re-register.

Catchment school registration will be primarily online, through a centralized registration page on WSD's website. Online registration will go live February 10 at 9:00 AM at winnipegssd.ca/registration. Paper registration forms will still be available at schools.

School of Choice applications for within-division and outside-division students open March 3. A child that already attends a School of Choice does not need to re-apply. The staggered date of School of Choice applications allows WSD to accept students based on the school's capacity and available resources, in addition to registration guidelines set by the Province of Manitoba.

NOTE: all within-division students must apply at their catchment school first before applying for a School of Choice or divisional program.

Application information for School of Choice will be accepted between March 3 and May 15 only.

We also attached information about registration in a Frequently Asked Questions document.

If you have questions or concerns after visiting winnipegssd.ca/registration, please contact the administration at your catchment school.

Sincerely,

Matt Henderson
Superintendent

ARCTIC CLASSROOM

Grade 7 - Rooms 16 and 17

Written by Mr. Barber

Two grade 7 classes applied for the Dorothy Strelsin Polar Bear Education Program, even though all our students are humans. Over the year they will go to the zoo 5 or more times and mix observation of the Arctic animals, zoo classroom learning time and School projects also related to the Arctic. It has been great so far and the students in rooms 16 and 17 have based their learning Fair projects to solving problems in the Arctic.
