Dear Kent Road Families,

Happy New Year and Happy Lunar New Year,

January has been a busy month of reconnecting and refamiliarizing ourselves with the routines and expectations of the school and classrooms. We welcomed some new families and unfortunately said goodbye to some of our friends who are starting a new school adventure.

Our goal at Kent Road School is to ensure all students feel welcome, safe, loved, and are provided opportunities to learn and grow while being actively engaged in learning. Attendance and the home-school partnership are key to success. Please join us for our next Parent-Council Meeting on Wednesday, February 12 at 6:30 in the library. A light snack and childcare are provided. We will be discussing fundraising, lunch program and the Family Feast as well as any suggestions/concerns from caregivers.

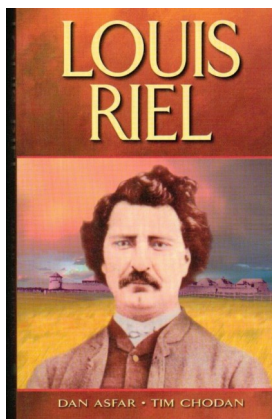

February is an exciting month as we celebrate belonging, kindness, and love through a variety of special events for I Love to Read and Black History Month.

Please see the calendar for all our spirit days (dress up) and activities. We will also have many special guest readers, a whole school contemporary dance performance and Sky Teachings.

Office Hours

The office is open from 8:00 am to 4:00 pm Monday through Friday.

School Hours

8:45 a.m.	Outdoor Screening begins
8:50	Entry Bell
11:30	Nursery/Kindergarten Pick Up
Noon	Lunch
12:55	Entry Bell
3:30	Dismissal

Entry and Exit Doors

Please ensure you are using the designated cohort doors.

Nursery/Kinders & Rm 6—North West Doors

Rms 9, 10, 11—South East Doors (by the gym)

Rms 14, 15, 16—North East Doors (by play structure)

Rms 3, 4—Main Entrance

Arriving Late

Students who arrive after the bell are asked to use the main entrance to the school and check in at the office and pick up a welcome slip for their teacher and the office will update their attendance.

Early Pick Up

If you are picking up your child before dismissal, please call the office and we will make arrangements with you. Don't forget you must come in to sign out your child.

School Attendance System

If your child is going to be late or absent, please do not call the school office to communicate this information. Please call the **SafeArrival attendance system @ 1-855-278-4513**. Or if you would rather access the system by internet, <https://go.schoolmessenger.ca>. The office no longer accepts calls regarding absences or lates. Please do not send attendance notes to the office or your child's teacher. All attendance information needs to be updated through the SafeArrival system.

Patrols

School safety patrols will be on duty each day at 8:40 am, 12 noon, 12:55 pm and 3:30 pm. Please send your child when patrols are on post. Make sure your child comes home immediately after dismissal so they can cross with the patrols. For your child's safety, remind them to obey the patrols at all times.

The patrol supervisors are **Ms. Behma & Ms. Gacek**.

Daycare

The Munroe ECEC Daycare is located in room 18 of the school. Although the daycare is currently full they offer care for students in grades 1-6. Please drop in or give us a call at 204-793-7626. We are open at 6:30 am until 9:00, and then from 3:30 pm until 6:00 pm. We are also open all day during school closure days.

Breakfast Club

This year will be the 11th year for our breakfast program. We are very excited that the program has become so popular since it started. The Breakfast Program is a great way to get to school on time and have a nutritional start to the day. The kids who attend enjoy meeting with their peers in a mellow and friendly environment.

The continued success of this program means we will continue to offer free nutritional breakfasts, Monday to Friday. We ask that students enter through the back doors by the gym, **NOT THE MAIN DOORS**. Also it is very important to make sure that your children do not leave home too early as the doors for the breakfast program are only open as of 8:30 and there is no supervision outside until 8:50 am. Children will not be allowed to wait in the halls until the Breakfast Program opens.

Part of the success for the Breakfast Program is achieved by getting volunteers between 8-9 am to help prepare, serve and clean. It is a great way to meet and get to know the students and it's a lot of fun. If you would like to volunteer, please contact the office at 204-669-1228.

Volunteers

Kent Road School always welcomes volunteers to our buildings. If you are interested in becoming a volunteer in the school, please contact Ms. Calado in the office of call 204-669-1228.

Lunch Program

Our Parent Council Lunch Program is up and running. Only students whom are registered and have paid are able to stay for lunch. Our lunch program director is Shelley Gauthier and she can be reached at 204-914-2818 or via email at kentroadpcplp@gmail.com. They are currently hiring more staff to help support the lunch program. If you are interested, please contact Shelley.

Health Care Plans

Volunteers make the difference!

Every child with special health care needs, such as a puffer, medication or an Epipen, requires a health care plan. The plan gives detailed information so the school may respond quickly.

It is a parent responsibility to inform the school about the health care needs of their child. If your child's plan has changed, please notify the school.

Administering Medication to Students

We know that from time to time, children need to receive medication while at school, and we're happy to oblige, within Winnipeg School Division guidelines. There is a form which you will need to fill out. As well, when you send the medication to school, it must be in the **original prescription bottle with the child's name on it**. Call the office for more information.

Kent Road School Doors Are Now Locked

For the safety of our students and staff, Kent Road School exterior doors are locked during most of the school day. Please use the main door near the office.

Parent Council

President: Aubrey Sesak

Lunch Program: Shelley Gauthier

Parent Council is open to all parents and is made up of volunteers who want to work on behalf of the school. Coming to Parent Council is an invaluable way to contribute to your child's education and overall school experience.

We have a lot of exciting ideas to bring forward this year, and we need your input and ideas. The more parents become involved in Parent Council, the better our school can be. Whether you can join us for one meeting or all five, your presence is important. Child Care is provided.

Parent Council meetings are January 15th, February 12th and June 4th.

Head Lice at School

Please ensure you are checking your children regularly for head lice. Head lice is not a communicable disease, however they are a challenge to deal with.

If a student is found to have head lice at school, families will be notified via letter that head lice has been discovered. The rest of the class will also receive a letter stating that head lice has been found in the classroom.

It is our goal to work with families to deal with head lice as quickly as possible. If you need any support, please contact the school office at 204-669-1228.

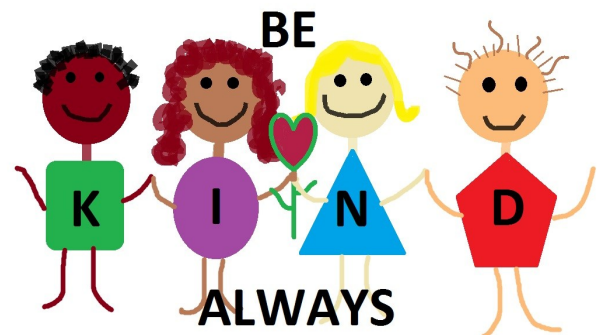

Be a Good Neighbour

Kent Road is a better community because of the rich diversity and our common goal of helping/supporting children in achieving the good life.

Many of the opportunities our children receive is due to the generosity of our volunteers and partnerships Without donations our Winter & Summer Feasts would not be possible.

Our patrols keep your children safe, Please ensure that you are driving responsibly and following the rules of the road when dropping off and picking up your children. This includes not stopping in the middle of the road, parking on the wrong side, parking in the alley impeding other peoples' driveways. Our neighbours are complaining that we are not being kind, respectful or safe.

Thank you for your support..

Room 2

Welcome to 2025!

After a nice winter holiday break we all came back eager to get back to work.

We have been working hard with our UFLI Phonics and making great progress sounding out our words when reading and writing. We have continued to do Thinking Classrooms in Room 12 and are getting better at working with our partners doing math problems and word work.

We started our Workshop Wednesdays and the students loved teaching and learning from others. The students had to write a list of what they needed for their workshop, make a poster and have their classmates sign up. We are looking forward to more of them.

We went outside and each filled up a jar with snow and made observations of the snow when we filled the jars, the changes as it melted, and again as it froze when we put the jars of water outside for the day.

Our Room 2 family has grown again as we have welcomed a new student to our group. It has been wonderful getting to know her.

Room 3

Reading: Room 3 has been learning and identifying the elements of the story (Title, author, characters, setting, beginning, middle and end of the story)

Writing: On the first week of January, Room 3 has been working on their book about "My 2025 Era". In this book, they talked and wrote about their goals, wishes, something they would like to learn and are excited about this year 2025. Also, we started learning about Sequencing of Events and transition words.

Math: Room 3 has been learning about Equality and Inequality and its symbol. We have been practicing using different strategies on how to make equations to show if it is equal or not equal.

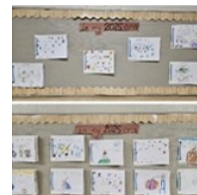

Social Studies: Room 3 continued talking and working about Our Local Community. We have been working on our Wonder Wall that talks about our thoughts, ideas, our wows, and wonders about the community.

Science: Room 3 continued their observation and investigation into how the animals change while they are growing.

Thank you, Room 3 families for always supporting our learning. If you have any questions or inquiries, please do not hesitate to reach out.

Ms. Beth

ecarganilla@wsd1.org

Room 4**NO SUBMISSION AT THE TIME OF PUBLISHING****Room 6**

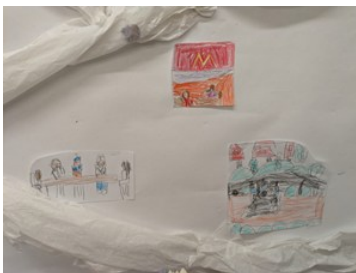

Hello friends,

We have been very lucky to have a student volunteer from Elmwood High School, Mr. Urijah, helping in our classroom. The students have loved learning with him and they have especially enjoyed when he joins in Phys Ed games, finally someone to keep up with them! As his course is ending, so is his time with us. He will be missed!

In Science students will begin the 'Characteristics of Objects and Materials'. Students will explore different materials such as wood, plastic, cloth, metal and the objects that these materials make (table, spoon, clothes, slide). They will also explore ways of joining materials, such as stapling, glueing, sewing and even hammering!

Thanks for reading and see you next month,

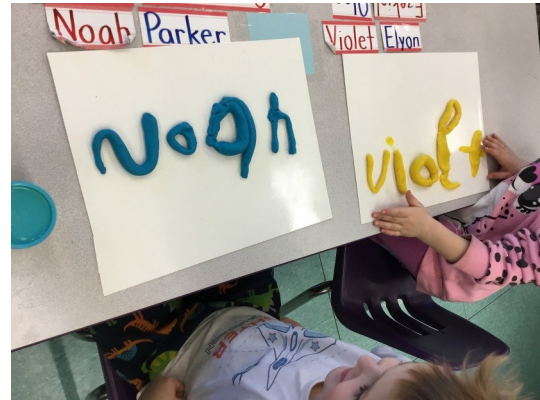

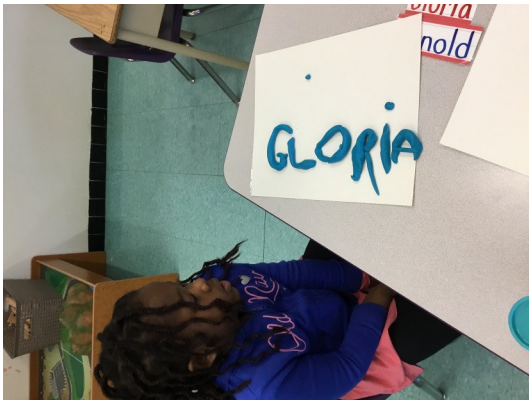

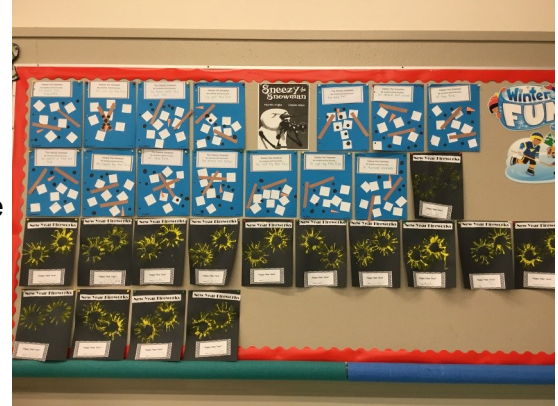

Mrs. Gamble

Room 7

Room 7 rang in 2025 with fireworks art. We have started on the winter unit and made our own Sneezzy the Snowman based on the book. Our Kindergarten students are working on reading and recognizing sight words, as well as reading pattern books. Our Nursery students are working on recognizing letters in their name and in the alphabet. We are learning to recognize rhyming words and to produce our own rhymes. In math, we are working on identifying and creating different types of patterns.

Ms. Morand
tmorand@wsd1.org

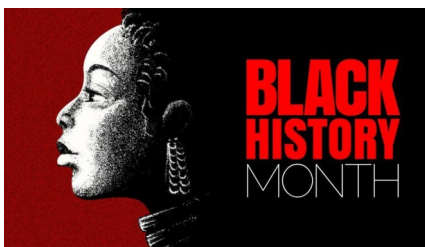

FEBRUARY IS A SPECIAL MONTH

February is special for many reasons, some of them are:

February 13th
is 100th Day

February 14th
is Valentine's Day

Black History Month

February 17th is
Louis Riel Day

Room 9

Happy February!

Although January seems like a long month, it certainly flew by! We're back into the swing of things since being back from the break.

In January, we've started a new science topic: Diversity of Living Things. The students are loving their current research project, where they research their favourite animal!

Ms. Behma participated in learning this month by being gifted the teaching of ribbon skirts by Ember Rost. We spent two evenings preparing and sewing our skirts. The next day, along with Ms. Ings, we smudged our skirts with our classes. What an honour it was to participate in this learning.

Ms. Behma

Room 10

Hello Room 10 Families!

Its been a cold month but it's the end of January!

In ELA we started our new novel study looking at the Harry Potter series. Some students are reading Harry Potter and the Philosopher's Stone. The rest of the students are reading the second book in the series, Harry Potter and the Chamber of Secrets. Both groups have really been enjoying the books.

In Math, grade 5 students have been working on division and grade 6 students have been working on order of operations and ratios/rates.

In Science, we started our unit about Weather. We have been exploring different weather components, instruments that measure weather and severe weather systems.

Every day 2 we have a instructor from the Royal Winnipeg Ballet join Ms Higham in the music room to give our students dance lessons. Students are encouraged to have an open mind and try their best to participate.

Reminder that students are expected to read at least 3 times a week for at least 20 minutes. The home reading logs are due on Mondays.

Ms. Gacek

Room 11

Hello Room 11 Families,

After a nice and relaxing winter break, we are all ready to get back into our class routines and to work hard. In ELA, students have been working on an Indigenous Study unit and learning about Traditional, Informational and Modern types of books. In Math, we are continuing to develop an understanding of multi-digit numbers multiplication with decimals.

Room 11 will have a Valentine's Day celebration on Friday, February 14th in the afternoon. Students are welcome to bring a healthy snack for themselves, and/or for their classmates. The treats should be individually packed from the store as well as nuts and gelatin free.

Please help your child by encouraging reading at home with a good book and mastering multiplication and division facts.

Ms. Tomic

Room 14

Happy New Year room 14 families!

As we slowly ease back in to school mode, students will be embarking on a novel study and will be working on contributing to a whole class, culminating project we will show off at student led conferences.

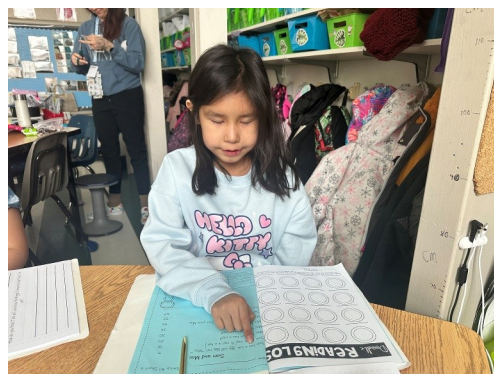

In math, students are using what they know about place value to help them subtract multi-digit numbers, and they will also be learning more about 3D figures.

In science, we are currently learning about light and how it travels, and how visual information enters our eye, and is transmitted through our optic nerve to our brains. We are still collecting pringles cans (regular size) with lids, and empty Kleenex boxes if you have!

Finally I'd like to wish a Happy Lunar New Year, to all families who celebrate! We will be learning more about these special celebrations soon!

Regards,

Ms. Shore

Room 15**NO SUBMISSION AT THE TIME OF PUBLISHING****Room 16**

Hello Room 16 families,

I hope you all had a restful winter break. We are back into our regular school day routine. We will soon be starting a new math unit on multiplication and a new science unit on Forces. February brings Valentines Day and I Love to Read Month. On Feb.14 in the afternoon our class will have a Valentines celebration. If you would like your child to bring in cards please be sure to have one for each student in the class (a note with names will be coming home soon). If you would like to send treats please be sure they are peanut and gelatin free. With the cold weather please be sure students have the appropriate outdoor gear. Thank you!

-Ms. Ings

PHYSICAL EDUCATION NEWS...

- ⇒ This month in Physical Education classes the grade 3 to 6 students been working on offensive and defensive strategies in a variety of Invasion games.
- ⇒ Grade 1 and 2 students have been working on improving their manipulative skills while having fun in the gym!
- ⇒ All classes have been working on our Kent Road Fitness activities as well this month.
- ⇒ The Fair play code is a goal for all students and they are encouraged to follow it in all activities!

- ⇒ Thank you to the leadership students who have been running the intramurals this month! Check the calendar for next months activities!
- ⇒ Leadership have also been helping in the kindergarten Physical Education classes. What an awesome job!

Once a Kodiak Always a Kodiak

Be active, stay safe and have fun!

S. deJong

NEWS FROM THE MUSIC ROOM

Happy February Kent Road community!

Here is what is going on in music this month: Our featured composer this month is Wolfgang Amadeus Mozart. He is a famous classical composer. Ask you child if they can identify some of his famous piano music. The students should also be able to tell you a bit about his life and background.

We are also working in the classroom on some new and interesting units. Rooms 2, 4, 6 and 3 will be working on bringing music and literary works to life with a special focus on Robert Munsch's, MMM Cookies this February. Rooms 14, and 16 are working on identifying notes in the music staff, as well as their next recorder song Au Clair De La Lune for their yellow belt.

Then rooms 9, 10, 11 and 15 will have a test on instrument families near the end of this month. Following that we will focus on movie music and the impact it has on different scene. How a song can change the tone of the scene from happy to sad.

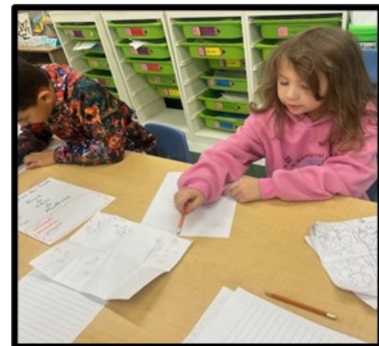

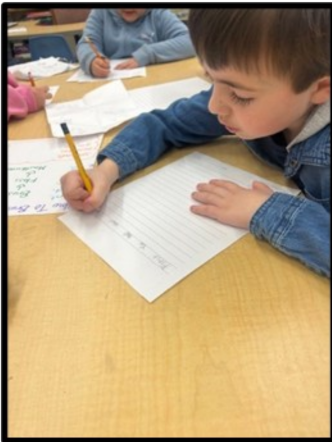

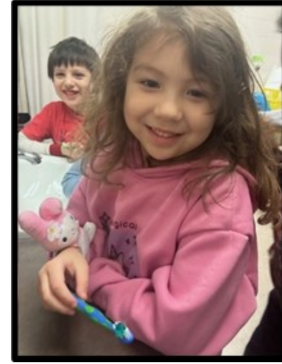

The RWB Sharing Dance program is now underway with our guest instructor Ms Emily who comes to KR for 10 day 2s to work the rooms 16, 14, 11, 10, 9, and 15. The students are doing a good job of learning how to move their bodies in their own personal bubbles. We look forward to what the final dance will look like in May. See below pictures of the dance classes.

Ms. Higham

During the month of January, I have been working with a small group of students in Room 3 to learn about 'How To' writing. We decided to write about something we do everyday that keeps us healthy ... how to brush our teeth!

We learned a bit about the writing process and the importance of prewriting and revising. We also talked about the value of hands on learning and decided to actually brush and floss our teeth to help us during the revising process.

Not only did we have a LOT of fun, but students also learned about the writing process, a specific type of informational writing and transition words.

Ms. Burdey

A Message from Parent Council

A huge thank you to all of those who sold or purchased raffle tickets for our Winter Parent Council Fundraiser. Again, with your help we were very successful with this fundraiser and generating \$2,957.00 worth of revenue. These proceeds will be used to support our June feast.

Exciting Announcement: Kent Road School Parent Council’s 25th Anniversary Cookbook!

We are excited to announce the release of the **2nd Edition** of our school’s cookbook : **“Cooking with Class”**

This special edition will feature a vibrant collection of **multicultural recipes** from the families and friends of our school community. It’s a tribute to the rich culinary traditions that make Kent Road School so unique, and we invite you to contribute!

Why “Cooking with Class”?

- A diverse collection of **traditional recipes** from our school families.
- A way to celebrate and honor the many cultures within our community.
- All proceeds will go towards supporting the **Spring Feast**—an exciting event where we come together to share food and celebrate our school spirit.

What We Need From You: As we approach the winter break, think about your family’s **traditional recipes**—the ones that represent your culture, holidays, and celebrations. Share them with us and help create a cookbook that reflects the wonderful diversity of Kent Road School.

Get Involved: We will be holding a **meeting on January 15th** to plan the cookbook, discuss submissions, and prepare for our fundraiser. Please join us if you’re interested in helping out, sharing recipes, or learning more about the project!

How to Contribute: More details on how to submit your recipes will be shared soon. In the meantime, start thinking about your favorite family dishes!

Thank you for supporting our school and making this 25th Anniversary cookbook truly special. We can’t wait to share these recipes and memories with all of you!

**Your Parent Council is open to all parents.
Take part in your child’s education through supporting your parent council.**

Housing and I.D. Resource Event

February 13, 2025, 3:30 to 6:30 p.m.
R.B. Russell Vocational High School
364 Dufferin Avenue

Winnipeg School Division and End Homelessness Winnipeg are hosting events to help our community members get income and housing supports they qualify for.

Join us to receive on-site sign-up services and information on available resources for individuals and families.

To sign up for services you will need some ID such as:

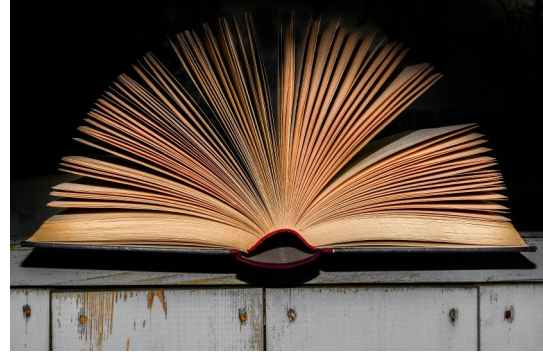

- Manitoba Health Card
- Government Issued Photo ID
- Proof of Income/Option C
- Current Tenancy Agreement
- Direct Deposit/Banking Information
- EIA Budget Letter
- Proof of Status/Residency
- Completed Guarantor Form

If you are unsure of which documents you will need to bring, or if you require assistance in filling out forms please contact:

Kasia (Katarzyna) Guzzi
Community Support Program
Coordinator
kguzzi@wsd1.org
204-788-0203

February is I Love to Read Month!

Kent Road School has some exciting events happening. Let me tell you about three:

Bookmark Contest - Students are going to participate in our first annual bookmark design contest. Mrs. Porter has provided the students with a template, and they are to draw and colour the template by February 21st. A winner will be chosen on February 28th, and the winning bookmark will be available in the library for students to have.

Guest Readers. We are excited to have an excellent array of guest reader coming into the building to share their joy of reading with our students. All classes will be read to at least once a week!

Spirit Days for February

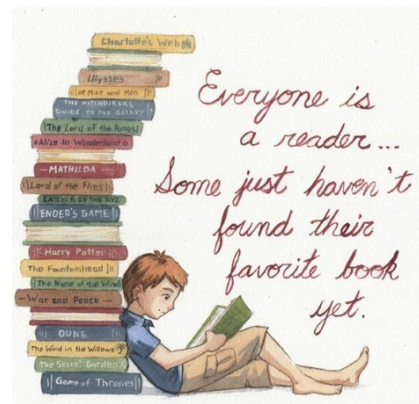

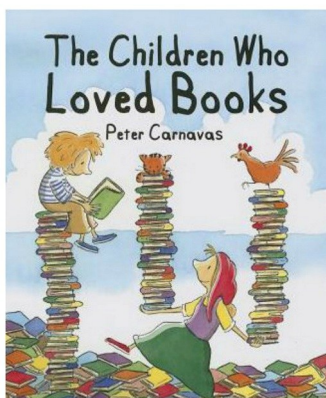

Feb 7th - Wear your pajamas and read to your stuffy Day and read a bedtime book

Feb 13th - Wear something with numbers on it for 100 Day and read a book about numbers

Feb 14th - Wear pink or red on Valentine's Day and read a book about kindness

Feb 21th - Festival Du Voyageur Day- Wear a toque or a Metis sash - and read a book about the voyageurs

Feb 28th - Dress as your favourite character or book, can be as simple as a head-band of paper with a drawing on it. Something simple and fun so everyone can participate if they want.

We are excited to be offering fun, inclusive recreational rhythmic gymnastics programming for the 2024-2025 season!

Introductory classes are offered in 10 week sessions, consisting of one hour-long class per week. Through learning fundamental movement patterns and core skills, participants will develop physical literacy and a joy for movement in a safe, welcoming and exciting environment!

Mondays: Laura Secord School (IRG ADV)

Tuesdays: Luxton School

Thursdays: Laura Secord School

We offer 3 sessions:

Fall: October - December

Winter: January- April

Spring: May - June

Winter Session Starts January 2025

An Important message from Ms. Calado

Regular attendance is very important. Your child's over-all growth increases significantly over time when they attend regularly and have strong connections to all aspects of classroom and school learning. Not only will your child learn subjects but also will learn new skills, including social skills. The skills and knowledge that they learn at school will help them now and in later life as they continue to grow good habit for high school and the world of work.

Good attendance habits pay off! More school days attended increases a child's academic success, improves their chances to earn a high school diploma and a college degree. 80% of success is showing up!

If your child is missing school due to issues arising from struggling with feelings of belonging, friendship problems, anxiety, health issues or some other hardships that we can assist you with please don't hesitate to call for support.

The safety and success of our students is our priority.

Kent Road School is a PBIS School

PBIS stands for Positive Behavioural Interventions and Supports. It is a framework to help support students in achieving important social and learning goals and PBIS is a team-based school-wide framework for discipline.

We have identified the following three common behaviour expectations across the whole school:

Be Safe - includes walking from one place to another in the building, keeping our bodies to ourselves, playing safely and fairly, and reporting any incidents.

Be Respectful - includes using polite words, cleaning up our work and lunch areas, following directions, and throwing garbage and recycling in their proper places.

Be Responsible - includes being on time, lining up promptly when the bell rings, using a quiet voice, and having all our materials for class each day.

Thank you to everyone for following our schoolwide expectations!!
