

École Lansdowne

JUNE 2025

MESSAGE FROM ADMINISTRATION:

Dear Families,

It's hard to believe that we're already approaching the end of the school year—my first year as vice-principal at École Lansdowne has flown by! June always brings a sense of celebration and reflection to a school, and it's a wonderful time to honour all the learning, growth, and community-building that have taken place throughout the year.

This month, École Lansdowne is taking part in several exciting events that reflect the values of inclusion and diversity of our school community. On Sunday, June 1, members of our school will proudly march with the Winnipeg School Division in the Winnipeg Pride Parade to celebrate love, identity, and inclusion. On June 5, several classes will attend the divisional Pow Wow, a powerful and vibrant celebration of Indigenous culture and traditions.

We're also looking forward to our Grade 7 & 8 Band Concert on the evening of June 4, where students will showcase the incredible progress they've made this year as musicians. Our teachers are currently finishing up assessments for the final report card, which will be shared electronically with families on June 25.

June will also be full of fun and meaningful field trips that allow students to celebrate their learning beyond the classroom. Special groups like our dedicated safety patrols will have a chance to recognize their important contribution to community safety with a year-end celebration.

One of our most special events will take place on June 24, when we honour our Grade 8 students as they complete middle school and prepare for high school. For many of them, this will be their first time changing schools, having been a part of our École Lansdowne community since Nursery or Kindergarten. We are so proud of who they have become and excited for all that lies ahead for them as they embark on this new chapter.

As we move into the summer months, I encourage you to continue celebrating learning at home. Read together, explore nature, play math games, visit your local library, or engage in creative projects that spark curiosity. These simple activities can help keep your child's love of learning alive during the summer break.

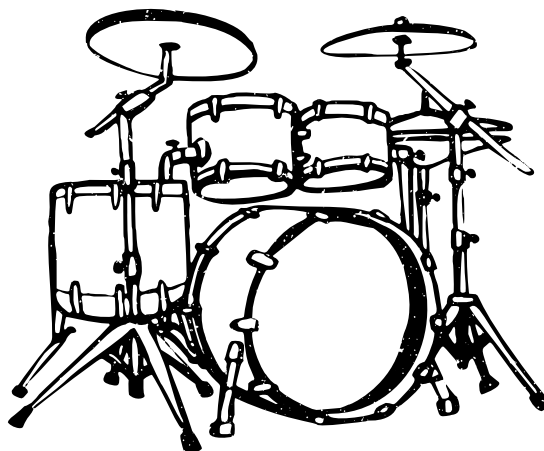

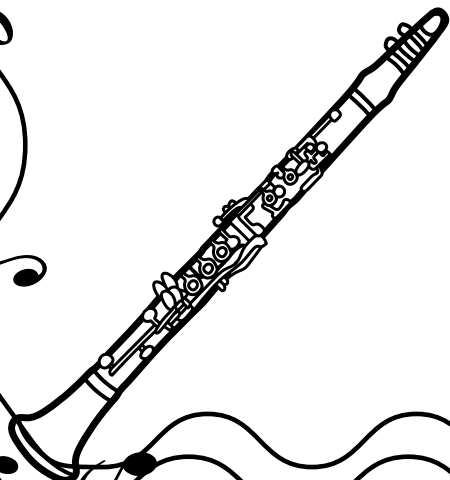

Thank you for a wonderful year of learning and for your continued support as a vital part of our school community. I wish you and your family a happy, healthy, and safe summer break. We can't wait to welcome all our students back in the fall as they begin a new grade and a new year of discovery and learning.

Warm regards,

Faria Sheikh and Jessica Mayor-Rodrigues
