

## **Dear École Lansdowne Community,**

**I am writing to express my heartfelt pride and admiration for all that you have accomplished over the past few years. Your resilience and unity as a community have been truly inspiring.**

**To the Parent Council, your unwavering support has been a cornerstone of our success. Your dedication to the school and its students is deeply appreciated and has made a significant impact on our community. The trust you place in us and your partnership in your children's education are invaluable.**

**To the Students, your hard work and accomplishments are nothing short of amazing. You constantly strive to do your best and tackle challenges head-on. Your achievements in sports, academic contests, and the recognition you receive for being kind and respectful to one another are a testament to your character and perseverance. I am incredibly proud to be part of this family and consider myself blessed to have had the opportunity to be the vice-principal these last three years. Your inquisitiveness, determination, and ability to overcome difficult tasks are truly commendable.**

**To the All the Staff, I am profoundly proud of the incredible effort you put into your roles. The way you help our students and the smiles on their faces are a testament to your hard work and dedication. Teaching in another language presents unique challenges, yet you continually engage in professional development and foster positive relationships. Beyond the classroom, the countless hours you invest in extracurricular activities and meticulous planning to meet the diverse needs of our students showcase your commitment to excellence. Your contributions do not go unnoticed and are deeply valued.**

**École Lansdowne is truly the gem of the northern quadrant of the city of Winnipeg. Thank you all for making this school such a special and incredible place. Your collective spirit and dedication make Lansdowne truly exceptional.**

**With gratitude, best wishes and love,**

*Ashley Morrison*
