

Winnipeg School Division Critical Services Worker School Request Form Instructions

In the future, if Manitoba Public Health shifts schools in the Metro Winnipeg region to a “Critical” (Red) response level under the Manitoba Pandemic Response System, schools in Winnipeg School Division will endeavour to accommodate Nursery to Grade 6 children of critical services workers, where alternative care arrangements are not feasible.

School divisions will take all necessary measures to accommodate children of critical services workers with a view to safety and available resources, while maintaining two metres of physical distancing.

Tier One critical services workers will be eligible to have children accommodated in school. They will be prioritized by schools/school divisions as outlined below.

Manitoba Education considers the following to be critical services workers:

Tier One:

- Health/Health Services Workers
- Kindergarten to Grade 12 Education Providers (all teachers, administrators and support staff)
- Child Care Workers
- Law Enforcement
- Corrections Workers
- Fire and Paramedic First Responders
- Direct Social Services and Child Protection Workers

Tier Two:

Following accommodation of Tier One, divisions will then accommodate additional critical services workers.

This may include people who provide critical services to Manitobans, such as front-line natural resource workers, gas station attendants, and grocery store staff. Note: Schools and school divisions may also use their discretion to accommodate high-risk students in order to mitigate serious concerns of disengagement.

Schools and school divisions may also use their discretion to accommodate children (in other grade levels) of critical services workers who may require in-person support.

If you are a critical services worker for whom alternate care arrangements are not feasible, and you require your child(ren) to attend school please complete and submit this form to each school your child(ren) attends.

Primary and Secondary Applicant(s): In instances where there may be more than one parent/guardian who is a critical services worker, we strongly encourage one parent/guardian to identify as a primary applicant and the other to identify as a secondary applicant, as per the attached form.
